CITIZEN PERCEPTION OF CRIME IN WALPOLE

30	Potholes in the road are unacceptable and have cost me thousands for tires this winter alone. The several police officers my family has encountered over the years have been incredibly rude and disrespectful, making unacceptable comments because the can. I believe many of them are on a "power trip" because they are police and you (the people) can't do a thing about it and making a complaint of this won't do any good because the police are not going to believe you over the police. They have been extremely condescending, have been proven wrong yet unapologetic. Excessive roughness/force and I would say several have bordered harassment via racism. I know police officers in 4 local towns who say "Walpole police have a reputation throughout the other local police dept. as being "jerks" and not practicing community policing - looking to make mountains out of molehills and putting on attitudes like they are really tough guys. Also giving preferential treatment to the public who have a relation with the police verse those who don't. Many have said what a disgrace over the years they have become.	5/22/2014 2:52 PM
31	The main problem in Walpole that is infection for all other problems is that the system for effective fair police work is now a personality contest with each officer doing his own thing rather than a collective same body.	5/22/2014 2:37 PM
32	The biggest problem with Walpole is Main Street - many accidents, unsafe to drive and walk, taxpayer money wasted. Better off if you improve roads.	5/22/2014 2:32 PM
33	Too many officers at const sites when fewer could handle it. Should be looked into regularly.	5/22/2014 2:29 PM
34	Enforcement of laws relating to town employees/officials (by-laws)/zoning/oversight - holding to principle, not ignoring whistle blower initiative.	5/22/2014 2:26 PM
35	Walpole needs to work with the state and get a traffic light on 1A/Fisher St. I have witnessed 2 accidents there in a year. Maybe when someone gets killed by the "aggie" something will get done. (this probably isn't a police matter, just had to vent) Trash left outside people's homes. People need to be fined.	5/22/2014 2:21 PM
36	Parents do not take responsibility for teaching wrong behaviors and fight behaviors.	5/22/2014 2:17 PM
37	Check for speeding cars from the corner of High and North Streets down High and from upper High street to North (both ways) Very hard to cross street to get mail.	5/22/2014 2:14 PM
38	Walpole Police do a great job. I have no worries, 30 years in E. Walpole.	5/22/2014 2:14 PM
39	The police are reckless at times responding to calls - speeding without sirens and lights.	5/22/2014 2:06 PM
40	Not a problem, but a strength which is the fact this survey and the increased community engagement is happening.	5/21/2014 3:47 PM
41	running red lights is an epidemic, especially on Rte 1 and Old Post Road.	5/21/2014 3:31 PM
42	I don't know that much has changed in my perception since I moved here in 1995.	5/21/2014 3:16 PM
43	People running red lights.	5/21/2014 3:14 PM
44	3-5 cars at homes with no registrations. I have called and gone to Police dept. about this and so far no response.	5/21/2014 3:13 PM
45	I have lived in Walpole for almost four years and only know of one break in.	5/21/2014 3:08 PM
46	High traffic volume	5/21/2014 2:53 PM
47	School bullying has not been listed. I don't know if this is a problem in Walpole but it seems to be rising. Programs and support groups that educate children maybe beneficial. I commend the WPD for all your services. Thank you for caring and being there for us.!	5/21/2014 1:02 PM
48	Can't think of any.	5/21/2014 12:51 PM
49	Fully support the construction of a new police station.	5/21/2014 12:38 PM
50	Responsibly addressing and handling illegal aliens for crimes, especially motor vehicle violations in town. Greater lack of transparency in the police log is troubling. Don't worry about being politically correct like our governor! Prosecute drug overdoses aggressively!	5/21/2014 12:35 PM
51	Those of us on the "even" side of Washington St. in S. Walpole must cross Washington to get our mail. Very dangerous most of the time Not a rural road anymore. Postmaster seems absolutely unconcerned. Mailboxes need to be allowed on even numbered side of street.	5/21/2014 12:20 PM
52	Use of drugs and alcohol in the vicinity of high school events such as football games. Not within the typical spectator area, but in the upper field and woods around turco field.	5/21/2014 12:09 PM

53	If the town makes us fill out a census on what should already be documented then they should provide a prepaid envelope.	5/21/2014 12:01 PM
54	Not cleaning out sewer grates - leads to huge puddles in roads. Would like police to take notice of where there is a problem during rain/snow storms. Causes huge traffic problems.	5/21/2014 11:52 AM
55	Tailgaters and people running red lights - not yellow lights.	5/21/2014 11:44 AM
56	I live near the Finnegan's Wake and around closing time there always are loud obnoxious drunks and on weekends speeding cars. Would be nice to see a police officer at end of Glenwood during these times.	5/21/2014 11:35 AM
57	Police cars traveling at high rates of speed continually.	5/21/2014 11:32 AM
58	No sidewalks on many streets.	5/21/2014 11:23 AM
59	When people come & solicit at your home. They don't have a photo id, shirt/jacket etc. with company logo. Too many solicitors at 10-14 a year with only 1 to 2/3 checking in with Walpole PD.	5/21/2014 11:19 AM
60	I feel Walpole is a pretty safe town.	5/21/2014 11:16 AM

80	No marijuana for sale in Walpole - it is asking for trouble.	5/15/2014 2:25 PM

92	Dogs off leashes - people feel entitled to walk their dogs off leash places such as Aggie and Adam's Farm. When it comes up, they become belligerent and refuse to leash their dog. They know there is no real way to enforce this and take advantage.	4/25/2014 2:01 PM

Someone is going to get in a very bad accident due to this and the high rate of speed under the bridges. Thanks for letting me say this.	4/22/2014 12:52 PM
99	In answering above questions, I answered them as I normally would. We just moved to E. Walpole because of the safety and security we feel here. We feel very lucky!	4/22/2014 12:48 PM

113	Lack of recycling. Trash and refuse on the street.	4/22/2014 11:54 AM
114	Observation: Officers issue oral warnings for speed. That's fine at times. But issue a "written" warning for a burned out auto brake light? May think more kindly of an officer that just tells you that you need to replace a light rather than write it up....	4/22/2014 11:51 AM
115	The traffic lights in the center should have the timing changed so that when you press the "walk" button, it doesn't make one wait through 2 cycles before letting a pedestrian cross. People get frustrated with this and try to cross in traffic, rather than wait for the pedestrian o.k.	4/22/2014 11:47 AM

122	I called Walpole PD on 1/12/14 at 4:30 a.m. reporting that there was a care broken down in front of my house. The police came to the scene and immediately left without getting out of the car. Pictures sent on their phones showing kids appearing drunk. I'm sure older students are involved also but the younger ones use the tragic death of their classmate as an excuse. Sports coaches should be aware.	4/22/2014 10:43 AM

CITIZEN PERCEPTION OF CRIME IN WALPOLE

257	Favoritism !!	4/4/2014 1:59 PM
258	I live in South Walpole and there is speeding on Summer and Winter Streets - BAD.	4/4/2014 1:59 PM
259	Summer street to Boyden School - concerned about children - no sidewalks from Delapa to Eldor. Speeding cars/volume- the stretch in front of Dr. Poor-Vet - Bristol Square needs lights.	4/4/2014 1:58 PM
260	When we came to Walpole, there were fewer cars and no sidewalks on my street. Now we have sidewalks and abutters and commercial vehicles. (I think my taxes went to give them more parking spots. Now, with more cars, people again have to walk on the streets and people with baby carriages have to walk on the street around the vehicles. I walk on their lawns and I have asked the police before and see no results.	4/4/2014 1:56 PM
261	The train that comes at 4 a.m. is loud and heavy. It shakes the house plus wakes me up. I called and told them to put up a sound fence and they told me to do it. If I had the money, I would.	4/4/2014 1:55 PM
262	Distracted drivers - wondering across double yellow lines and headed for curbs. I am afraid to walk on Main St. From my home even when walking with traffic coming towards me because of the above.	4/4/2014 1:50 PM
263	Speed enforcement on High Street during commuting hours. Heavy, oversized construction equipment on High Street.	4/4/2014 1:48 PM
264	Upon being notified of automatic weapon fire from Westwood Gun Club range which is situated in Walpole, duty officer denied said club's range was in town boundary. Facts are facts and the enforcers of our gun laws should know all of the ranges in their territory.	4/4/2014 1:46 PM
265	Un-shoveled sidewalks.	4/4/2014 1:46 PM
266	The intersection of Rte 1A and Bullard St has been the scene of numerous serious auto accidents. There should be a working traffic light at that location.	4/4/2014 1:43 PM
267	I regularly witness drivers running red lights at the intersection of Rte. 27 and Rte. 1A. I would like to see action taken by police to fine these drivers.	4/4/2014 1:41 PM
268	Poor job managing traffic flow around construction roadwork.	4/4/2014 1:41 PM
269	Though it may seem insignificant to some, the littering in Walpole is as bad as inner city and is a very bad reflection on our town. During traffic or when police direct it, it is nearly impossible to tell whether they're telling driver to stop or come.	4/4/2014 1:38 PM
270	Lines on roads do not get repainted often enough. Fixing potholes quickly.	4/4/2014 1:35 PM
271	TEXTING WHILE DRIVING!!!! On our home street of Winter Street, we have had multiple instances of oncoming drivers swerving into our lane while texting thus jeopardizing the lives of our family of 5. This is a very serious problem, not only in our community but on all the roads of our state and country !	4/4/2014 1:30 PM
272	Traffic at !a & Rte 27 - needed dedicated left turns at intersections - delayed signals. Better traffic flow through Walpole Center at peak hours.	4/4/2014 1:29 PM
273	Speeding and stop sign violations through our neighborhood on Endean Drive between Hildene and Mylod. Very dangerous for our children. This is a cut through between Washington and Mylod. We need traffic calming measures please. Thank you for the survey.	4/4/2014 1:27 PM
274	Cars pulling into the other lane with a car coming when there is someone in their lane. I was taught to stop, the other car has the right of way.	4/4/2014 1:23 PM
275	Traffic enforcement in downtown business district. Lane use and right turn on red violations. Failure to stop at stop signs, town wide problem.	4/4/2014 1:22 PM
276	Lack of cameras in areas where littering, especially of beer cans and alcohol bottles is reported.	4/4/2014 1:19 PM
277	Cruisers drive to fast to scene. Need to follow rules like others.	4/4/2014 1:16 PM
278	Pedestrian safety is becoming a serious issue on North St., near Sunnyrock Farm area. With the new development this is sure to get worse, especially with an influx of children bound to be moving into the area. Sidewalks are much needed. Cars travel at super speeds here. Also police should take a walk in this area to survey the great numbers of discarded liquor bottles/cans. Scary to think how many intoxicated people are driving by.	4/4/2014 1:14 PM

CITIZEN PERCEPTION OF CRIME IN WALPOLE

279	Not enough enforcement of traffic patterns during stadium events. (Signs are put out, but seems no enforcement involved.) Illegal parking of cars, boats, basketball hoops, etc., on sidewalks. Running stop signs, turning right on red when signs posted against, speeding through residential areas, huge trucks through residential areas on town roads. Days/nights of stadium events noise level often excessive and due to traffic of event become a captive in my home because of excessive traffic in South Walpole and on Rtes. 1 and 1A and Washington Street. Educate the school crossing guards so they do not hold up all the Rte. 1A, Washington Street, High Plain Street to empty out a school or stop all traffic to let one kid only to cross.	4/4/2014 1:02 PM
280	I believe town for town, Walpole is 2nd to none in complete police work from what I've seen and experienced in my 50 years here.	4/4/2014 12:48 PM
281	Not enough working street lights all over - especially back roads.	4/4/2014 12:43 PM
282	High taxes and no help for reduction to seniors. I do not think Walpole cares for seniors.	4/4/2014 12:41 PM
283	I am very concerned about all illegal activities in my town. (larceny, drug and alcohol abuse, etc.) But I do not know to what extent these things exist here.	4/4/2014 12:36 PM
284	Failure to properly mark road work hazards with fluorescent paint.	4/4/2014 12:33 PM
285	Cars not stopping at stop signs in our neighborhood.	4/4/2014 12:30 PM
286	Handicapped accessibility and parking.	4/4/2014 12:24 PM
287	I am a fairly new resident in Walpole, very happy to be here. As a whole, I believe it is a very safe town.	4/4/2014 12:17 PM
288	Better scrutiny of door to door sales/religious. Maybe set hours during the day light - Verizon rings bells @ 8 last month.	4/4/2014 12:16 PM
289	People should not be allowed to park on the street at the train station and the crosswalk should be better lit.	4/4/2014 12:13 PM
290	No lately, but just because I live in town center, I've gone without electricity, air conditioning, refrigerator, TV, lost plenty of sleep in hot attic apt. and lost tons of food from fridge when all that work was being done. Notified once out of 6 times with all night truck and motor and equipment noise. It's not just the stores here. They worked all night and we had to have our windows open. People no longer follow any of the bike rules. It's like classes need to be given and people arrested before there's someone killed. It's everywhere. Walpole, Norwood, Dedham.	4/4/2014 12:12 PM
291	Police cars responding to a call drive way too fast, specifically I've seen it on Stone Street. Also , fireworks being set off by homeowners.	4/4/2014 12:10 PM
292	I live on North Street and traffic, particularly the heavy equipment traveling to the North Walpole development is so excessive and noisy, also turning onto Bowker St.	4/4/2014 12:07 PM
293	Traffic on 1A and Rte. 27. Schools need to be renovated.	4/4/2014 12:06 PM
294	Cumberland Farms Parking - No parking signs should be placed in certain areas. cars and trucks park right beside people filling up for gas. This is not a good scene for cars coming in or exiting the parking lot. More than once my exit or entrance was blocked by an inconsiderate driver.	4/4/2014 12:04 PM
295	I have called WPD dispatcher 3+ times regarding the illegal parking in front of St. Mary's church (during Saturday 4p.m. mass) and on Sundays. Cars are illegally parked along Washington Street in front of church (Yellow curb). This is a safety hazard if you try to take a left from Rhoades to Washington as visibility is restricted. Your dispatcher ridiculed me. I ask you either enforce the law or take the "No Parking" signs down. I'm not anti-church. I belong to St. Mary's Parish!	4/4/2014 12:01 PM
296	Getting your 2nd amendment rights!	4/4/2014 12:00 PM
297	Out of control, dishonest police? How many police officers have left when they should be been fired or fired? They all need to slow down, treat us with respect and start to live within the law.	4/4/2014 11:47 AM
298	Many calls made about teenage parties at neighbor's house. Beer cans and hypodermic needles found on my property brought to police but nothing done. Constantly see drug deals as their house.	4/4/2014 11:42 AM
299	Sidewalk condition on Common Street.	4/4/2014 11:38 AM
300	overnight on street parking is a concern. cars block the road so plows can't do their job. cars should be ticketed and towed.	4/4/2014 11:35 AM
301	The Town repaved Plimpton St in 2013 and speed has increased. Several accidents have occurred since. Town should consider new signage/speeding enforcement on Plimpton St	4/3/2014 1:14 PM

CITIZEN PERCEPTION OF CRIME IN WALPOLE

302	I've seen cars drive past school busses with flashing red lights while picking up children for school -- twice on Common St.	4/3/2014 1:11 PM
303	Need traffic light at corner of Mylod and 1A. Dangerous intersection.	4/3/2014 1:08 PM
304	We suffer the pains of Gillette, but because Foxboro outside edge is home to Gillette they gain all the advantages & financial gains. Also, we need a new Police Station.	4/3/2014 12:52 PM
305	Pedestrians running on the street in dark clothes where there is limited lighting.	4/3/2014 12:43 PM
306	Traffic going through Walpole center can be very bad at times. I work in Walpole and I notice a lot of cars jumping through red lights.	4/3/2014 12:39 PM
307	Above answers were given per personal experience. Actual problems in Walpole in general may be different.	4/3/2014 12:31 PM
308	Multiple thefts @ the high school (locker rooms) not addressed.	4/3/2014 12:27 PM
309	Loud motorcycles should be impounded until repaired/modified to comply with noise pollution laws.	4/3/2014 12:25 PM
310	Unable to comment, just moved here 15 months ago and we really like it here.	4/3/2014 12:21 PM
311	They have done a fantastic job. We are lucky to have them!	4/3/2014 12:17 PM
312	Traffic at Elm Street school at opening & closing of school. Need more sidewalks and bike lanes.	4/3/2014 12:10 PM
313	My main concern would be someone physically attacking me, either in my home or elsewhere, or my husband, or anyone else.	4/3/2014 11:59 AM
314	Texting/talking on cell phones while driving, especially high school kids	4/3/2014 11:56 AM
315	More street lights along Common St, between Washington & Rte 1. Slow down tractor trailers on Common St which would also reduce the noise.	4/3/2014 11:37 AM
316	I had a young, dark-haired officer be incredibly rude to me - I had entered a work area on Plimpton St (no sign, the sign was on adjacent st). This man was so full of rage I though he was going to punch me - Scary!	4/3/2014 11:30 AM
317	Roads without sidewalks or bicycle lanes.	4/3/2014 11:25 AM
318	Sidewalks - South St (Pine St end) no sidewalks, bad lighting, no one stops @ 4-way stop, and speeding on our street.	4/3/2014 11:20 AM
319	Dismissal time at OPR School - total chaos. Cars block Emerson Rd, park on both sides making it unsafe for pedestrians & cars, cars double parked while mothers talk, kids run out behind cars to cross street.	4/3/2014 11:14 AM
320	Running Stop signs, Failure to yield, Texting Drivers.	4/3/2014 11:09 AM
321	Motor vehicle violations (Stop signs, red lights, right turn restrictions, dilapidated homes, buildings).	4/3/2014 11:06 AM
322	People ignoring Stop signs & red lights. People riding ATVs, race carts, dirt bikes, on the street at a fast speed.	4/3/2014 11:03 AM
323	Inadequacies @ intersections i.e. East & Main needs arrows. East & High Plain needs lights or at least the sign replaced to use directional. Wash & North need 3 way stop signs. Rte 1 and Coney need arrow.	4/2/2014 4:13 PM
324	Drivers using Hansen Ave, Maple St. and School St. as a high-speed cut through to avoid the traffic light at East and Main Streets.	4/2/2014 3:59 PM
325	I would support a mandate/law to provide two officers in every police car for safety of our police officers.	4/2/2014 3:44 PM
326	Cops running red lights in center of town.	4/2/2014 3:40 PM

328	High schoolers speeding down Carpenter Rd. esp. in am	4/2/2014 2:57 PM
329	I have had 2 personal experiences with the Walpole Police. One positive, one negative. police attitude. I really don't have experience with police department.	4/2/2014 2:14 PM
330	Parking during school release is unsafe for pedestrians, illegal u-turns in the middle of the street (Gould Street). This would be Fisher school.	4/2/2014 2:10 PM
331	Vehicles travelling from Ganawatte Preserve Apts. onto Pine Street do not stop at stop sign. Vehicles traveling on NB side of Rte. 1 who make right onto Pine Street do not stop at stop sign.	4/2/2014 1:54 PM

CITIZEN PERCEPTION OF CRIME IN WALPOLE

332	Too many cars are running red lights, not stopping at stop signs, people are texting and driving. Basically multiple traffic violations.	4/2/2014 1:51 PM
333	Would appreciate "speed monitoring" North Street from Gould to 1A. Also Rte. 27 where Robbins joins, very hard to enter 27 when cars from right are coming over hill and speeding. Also intersection of Gould and 1A, cars speeding. Honestly, I never see speed traps.	4/2/2014 1:42 PM
334	None. Walpole Police do a very good job. I live at the Preserve apartments. I know how hard they work.	4/2/2014 1:39 PM
335	Should closely monitor illegal parking in neighborhoods during Pat's games (i.e. around South Street, Harold, Maude, Irving)	4/2/2014 1:32 PM
336	Traffic light at East & Main Street. Green arrow to travel south on Main Street. Time for lights are too short.	4/2/2014 1:27 PM
337	You already list drug, but the town needs to be educated about prescription drug abuse leading to opiate abuse.	4/2/2014 1:24 PM
338	Noisy house parties late at night. Make more arrests of teenagers involved with drugs and drinking. During Fisher school dismissals, parents park their cars so one whole lane is blocked almost to the house at 135 Gould Street.	4/2/2014 1:21 PM
339	Had theft in my home. Wedding ring, \$15,000 value. Provided names of people who were in home at time. Nothing was done. No detective response. Very disappointing!	4/2/2014 1:18 PM
340	Related to #21: I think Walpole Police Department does a great job. I do think the speed of cruisers on Common Street is excessive and dangerous at times when responding to calls. Please take care.	4/2/2014 1:15 PM
341	I think that the above problems sums it up.	4/2/2014 1:02 PM
342	Walkers, joggers on street instead of sidewalk.	4/2/2014 1:00 PM
343	Overly aggressive traffic enforcement, particularly at night. Most seem to be for minor issues (tail lights out)	4/2/2014 12:55 PM
344	Can't find fault with the department as a whole. Since I have lived in this town, I find the police excellent to my needs.	4/2/2014 12:52 PM
345	Enforcing the "no access to Rte. 1" during Pats games. Being a person who walks for "therapy" speeders on Washington Street (The Rte. 1 alternative)	4/2/2014 12:47 PM
346	Traffic on Rte. 1A with difficulty making turns on/off Rte. 1A from Norfolk Street, North Street, Fisher Street, etc.	4/2/2014 12:43 PM
347	Both my house and car have been burglarized. My house many years ago. I don't feel it is a concern. My car has been both burglarized and vandalized at the Walpole train station. I do feel it's a concern.	4/2/2014 12:28 PM
348	I'm completely satisfied.	4/2/2014 12:26 PM
349	Dog walkers not picking up after their dogs.	4/2/2014 12:24 PM
350	No crosswalk and/or light at corner of Gould & Main. There are no curbs increasing danger for walkers and crossing guards.	4/1/2014 2:31 PM
351	High school traffic. We live on Carpenter Road and the cut through and speeding at Bonnie is an issue. There will be a serious accident there eventually. It is never maintained by police presence. Same with kids crossing at high school and speeding. A pedestrian will get hit there someday if there is not a constant daily police presence.	3/31/2014 4:28 PM
352	We seem to see "violations" on the road everyday and always under where the cops are at. Even our child says kids go off to the bathroom and come back to class high. More of a presence in the community.	3/31/2014 4:16 PM
353	Cars not obey speed limit and stop signs.	3/31/2014 4:01 PM
354	Improve lighting at the crosswalk in front of 204 Restaurant.	3/31/2014 3:54 PM
355	There is an inadequate notice of street closures during events. I live on Stone Street and have complained but no response.	3/31/2014 3:52 PM
356	SPEEDING	3/31/2014 3:44 PM
357	Listing seem very inclusive of real and potential problems for Walpole.	3/31/2014 1:29 PM
358	People running red lights, stop signs, & illegally turn left cutting off straight through traffic.	3/31/2014 1:26 PM
359	I find the police force are courteous and helpful when you need them. I give them a big thumbs up for a difficult profession!	3/31/2014 1:18 PM

CITIZEN PERCEPTION OF CRIME IN WALPOLE

360	Near Fish & Game Club we rarely see on-duty police units. Occasionally we have issues like overnight camping, public drinking, fireworks & littering. I called Police 3 times in last 6 years, and dispatcher was less than helpful.	3/31/2014 1:15 PM
361	Courtesy by Police and drivers. More one-on-one interaction NOT on auto stops.	3/31/2014 1:01 PM
362	There is a big difference between a few drinks in several hours & intoxicated to point of impairment. I do not believe in breath test based on such a low # - we all know what drunk looks like. I have stopped drunks, taken their keys, and drove them home.	3/31/2014 12:53 PM
363	Significant problem w/drivers ignoring stop signs, passing on right of left-turning cars, and speeding.	3/31/2014 12:46 PM
364	Cost of living	3/31/2014 12:42 PM
365	Driving behavior (failing to stop, turning on red, discourteous driving) Excess police lights & vehicles around minor events.	3/31/2014 12:36 PM
366	Walpole is pretty safe community. Items listed as "concerns" are simply most important to us. I'm not aware they are issues yet or have been in the past.	3/31/2014 12:28 PM
367	No left turn signals in downtown Walpole.	3/31/2014 12:21 PM
368	Dirt bikes near power lines off of 1A - very noisy.	3/31/2014 12:19 PM
369	Many times I have reported speeding cars on my street and vey little has been done.	3/30/2014 3:04 PM
370	Would like to see combined recycle bin collection.	3/30/2014 3:02 PM
371	During the Christmas time, there is not enough decoration and trees lighting in the Walpole area. Only one big tree and that's not enough.	3/30/2014 2:58 PM
372	A missing traffic light at North & Main Street intersection.	3/30/2014 2:52 PM
373	The LTC renewal process needs to be revamped. Forty days is forty days. This process has been an issue for over ten years.	3/30/2014 2:44 PM
374	Crazy parents at sporting events!	3/30/2014 2:39 PM
375	People running the light at Rte 27 and Old Post Road especially during school mornings and afternoons even while there is a crossing guard present.	3/30/2014 2:36 PM
376	The traffic lights in the center of town (Main St.) could be better times during rush hour (a.m. & p.m.) to allow for better traffic flow; improved entrance and exit from Rocky's Ace Plaza (Main St) and North Street as well as Norfolk & Main St.- again during rush hour (a.m. & p.m.)	3/30/2014 2:25 PM
377	The lights @ 27 and Old Post Road continually has drivers going through red lights. This is a concern because my children walk and ride bikes to school. Not enough being done here.	3/30/2014 2:22 PM
378	Merging Fisher Street traffic with Main St. At times impossible to merge without being aggressive. Intersection should be traffic light controlled. Fisher St. speed limit should be dropped to 35 MPH and enforced rigorously.	3/30/2014 2:19 PM
379	Concern over inattention/ineffectiveness during traffic details.	3/30/2014 2:12 PM
380	Speeding on Bullard St.	3/30/2014 2:10 PM
381	Would love to see more crosswalks similar to those near schools.	3/30/2014 2:03 PM
382	Too many bars and nail salons.	3/30/2014 2:01 PM
383	Biggest problem I believe is influx of drugs into this community. Difficult to address because it has a wide variation of causes.	3/30/2014 1:57 PM
384	You covered it! :)	3/29/2014 2:51 PM
385	Dead beat landlords that allow their properties to et run down to the point that it appears to be a safety concern for the neighborhood.	3/29/2014 2:42 PM
386	Walpole center has unsynchronized traffic signalization. It can take significant time to travel through the three lights on Main St/Rt 1A. Have a traffic engineer monitor the timing.	3/29/2014 2:36 PM
387	charging resident (victims) \$3 to get a copy of a police report.	3/29/2014 2:32 PM

CITIZEN PERCEPTION OF CRIME IN WALPOLE

388	There needs to be more safety for the high school students. Cars fly up and down the road outside the school and seldom stop to let students cross in crosswalk. Please don't wait for a tragedy to happen! Install bumps, trips, orange cones, more safety/school signs and speed trailers.	3/29/2014 2:29 PM
389	Possibly political. Keep out town pretty much as it is. I have lived in Walpole for some 50. I have liked it all the time.	3/29/2014 2:14 PM
390	This is a very useful questionnaire. Keep up the good work and let us know the general results.	3/29/2014 2:04 PM
391	Appropriate punishment of minors. More community service should be dispensed to misbehaving minors, i.e.. litter pickup, other areas needing town attention but no budget.	3/29/2014 2:01 PM
392	Contamination of soil from industries on Route 1A. Monitoring companies there would help with illegal dumping. More often "check ups" in those would be great.	3/29/2014 1:56 PM
393	Vehicle moving violations. I rarely see police cruisers giving citations to violators. In my travel, however, observe many, many violations.	3/29/2014 1:54 PM
394	Too many police officers at road work sites, i.e.. there could easily be 2 yet 3 are there.	3/29/2014 1:51 PM
395	We enjoy living in Walpole and find the town to be a family friendly place.	3/29/2014 1:49 PM
396	Too many door to door sales & other visits. We don't won't Verizon & Comcast knocking on our door or other religious groups. Comcast was phony and we believed they were scoping the house and neighborhood.	3/29/2014 1:44 PM
397	I'm not concerned, I think the Walpole Police Dept. does a fine job.	3/29/2014 1:36 PM
398	Lack of street lights at very busy and difficult intersections.	3/29/2014 1:33 PM
399	When neighbors allow their dog to run wild throughout neighborhood (no leash) while others obey leash law.	3/29/2014 1:31 PM
400	Drivers texting. I am on the road most of the day and I see it all the time!!! You could stand at the mall intersection and fine people all day.	3/29/2014 1:29 PM
401	Similar problems to other suburban communities. We must be vigilant about what our young children are exposed to and educate them to make good choices in life avoiding drugs, alcohol, smoking, dangerous vehicle usage, violence, etc.	3/28/2014 2:00 PM
402	Cars constantly driving through stop signs at the 4 way intersection at Summer Street and Neponset Street. Stop sign at Summer Street coming off Washington Street can not be seen.	3/28/2014 1:39 PM
403	Very concerned about cars/trucks going through red lights at intersection of Main Street and Rte. 27 as well as Main/Common Street. No visibility of police presence at all yet you see patrol cars waiting for potential violators on Washington near DPW and in parking lot at Johnson Middle school.	3/28/2014 1:37 PM
404	Inadequate signage on secondary roads. School traffic speeding on.	3/28/2014 1:34 PM
405	We would like to see more compassion and more involvement and overall better social skills when you're dealing with the elderly or the impaired! The police department has no idea what a family goes through when having a disabled parent or such so show a little compassion. It is your job to help the public!	3/28/2014 1:31 PM
406	Missing or inadequate lane layout signs for traffic at intersections. Poorly designed crosswalks, especially all the diagonal ones. Poorly marked street parking spaces and no parking spots, e.g. at main post office.	3/28/2014 1:28 PM
407	I feel that Walpole residents should be able to access Walpole roads for stadium events. We should not have a to follow the traffic flow.	3/28/2014 1:22 PM
408	Work towards more consistent LTC issuance. If applicants meet state/federal guidelines for prohibited persons, then they should be issued an LTC with no carry restrictions applied.	3/28/2014 1:20 PM
409	None, very satisfied with Walpole Police.	3/28/2014 1:17 PM
410	Motorcycles without mufflers. Noisy dirt bikes. Unplowed sidewalks.	3/28/2014 1:15 PM
411	Blinding blue lights on police cars! Way too overkill and makes a dangerous situation to pass a car that is simply pulled over.	3/28/2014 1:11 PM
412	Adequate maintained crosswalks.	3/28/2014 1:06 PM
413	Late teens need a place to gather. They should be able to meet after dark at HS to hang and catch up without bothering residents.	3/28/2014 1:01 PM

CITIZEN PERCEPTION OF CRIME IN WALPOLE

414	Traffic pattern through center of town. Entry/Exit at CVS by Supreme should have an island separating the in and out. Bump is too steep.	3/28/2014 12:56 PM
415	Overall I find it to be a very safe town. I have called twice for non-emergency issues last year and found the department to be very responsive.	3/28/2014 12:51 PM
416	Enforcement of under 30 mph in residential areas especially Plimpton and Kendall.	3/28/2014 12:47 PM
417	Distracted driving. I am a bicyclist and distracted drivers are a definite increased danger.	3/28/2014 12:44 PM
418	Parking and sidewalks.	3/28/2014 12:42 PM
419	Speeding, especially cut through routes to avoid traffic lights, etc. Extremely dangerous to pedestrians and of course children. I see same cars, same trucks speeding day after day.	3/28/2014 12:40 PM
420	Parking on street in winter up on Highland Street. All the time during night no tickets issued. Hard to drive by. If this was Norwood, it would have loads of tickets. I see all the time.	3/28/2014 12:30 PM
421	My greatest concern is spread of drugs in our community. My wife and I have four children and would like the WPD to focus on stopping the spread of hard drugs in Walpole and surround towns. Also - continue to oppose the opening of a medical marijuana store in Walpole. Thank you.	3/28/2014 12:25 PM
422	Stadium is a real problem for Walpole with none of the financial benefits to help town respond.	3/28/2014 12:15 PM
423	I wish there more sidewalks to make walking to the bus stop and around town safer for children and teenagers.	3/28/2014 12:13 PM
424	All the kids walking around town on half days. There needs to be more things for them to do.	3/28/2014 12:10 PM
425	We need a YMCA.	3/28/2014 12:01 PM
426	n/a	3/27/2014 2:33 PM
427	none	3/27/2014 2:29 PM
428	Public peeing in yards during stadium events.	3/27/2014 1:55 PM
429	Traffic lights needed at Bullard St & 1A. Not enough parking at Common St Post Office	3/27/2014 1:53 PM
430	Pedestrians blindly walk into street at train stn. Put different directional signals at Rte 1 near MickMorgans. Traffic is horrendous in a.m., trying to cross Rte 1 due to the exodus from Sharon.	3/27/2014 1:51 PM
431	Aggressive drivers, tailgating. Drivers not yielding for joggers/walkers where there are no sidewalks	3/27/2014 1:40 PM
432	I do not support cameras in school.	3/21/2014 2:08 PM
433	None, feel very safe even as a female alone at night and leaving door unlocked.	3/21/2014 2:04 PM
434	Need some types of lights, maybe caution lights at the corner of Polley Lane/Short Street. Too many accidents. Speeding on Washington Street. Cars not stopping for pedestrians.	3/21/2014 2:02 PM
435	I live on Summer Street, and Stadium events are no big deal.	3/21/2014 1:59 PM
436	This town plows sidewalks along Common to School. Thank you. The problem is that the homeowners along Common Street do not do a follow up shoveling which makes walking to school bus dangerous. The town should enforce the sidewalk, snow removal laws.. Maybe a warning letter.	3/21/2014 1:55 PM
437	There is a lot of traffic in center of town by the Common from/to direction of Walpole HS. Can you speed up traffic light to change more frequently between 6 and 9 a.m.	3/21/2014 1:55 PM
438	Running red lights and speeding on Route 1. Heavy trucks speeding through our neighborhood, large homes exceeding legal number of occupants that create parking issues and attract transient occupants that do not adhere to family neighborhood standards.	3/21/2014 1:50 PM
439	Texting while driving. Phones should be routinely checked when clear that there is fault in auto accident. When I was rearended, I called to see if texting was responsible and officer was rude and refused to check	3/21/2014 1:45 PM
440	Inconsiderate/dangerous drivers. Drivers going too fast on narrow streets (North Street, High Street) Traffic pattern on Common Street during high school start times. Cars coming across Common from all side streets (and a lot of student drivers). Very nerve wracking!	3/21/2014 1:42 PM

CITIZEN PERCEPTION OF CRIME IN WALPOLE

441	All the issues I have checked are due to stadium events. When are laws in this town going to be enforced about the parking in South Walpole? At the very least, there should be a cop sitting on Waters enforcing the law. Not sitting in a car on Washington Street doing nothing.	3/21/2014 1:38 PM
442	Unregistered/uninsured drivers. Domestic violence. Sex offenders living in community We need a new Police Station	3/21/2014 1:38 PM
443	In the Moosehill Road neighborhood adjacent to Walmart, most of us are quite concerned about an uptick in trespassing/break-ins from shoplifters and others associated with Walmart clientele. This is tolerable now and police, both Walpole and Mass State Police are responsive, however, if proposed 40B is built, we anticipate many checkmarks above will move to significant.	3/21/2014 1:34 PM
444	Construction starting very early in the morning	3/21/2014 1:34 PM
445	Set up speed trap on Grant Ave., between 6:45 - 8 a.m. and 3:45 - 6 p.m. There 8 children under the age of 8.	3/21/2014 1:26 PM
446	Stadium noise from concerts.	3/21/2014 1:22 PM
447	Inadequate/unsafe traffic intersection lights. (East and School, East and High Plain, Washington and Short)	3/21/2014 1:19 PM
448	Absence of cross-walking on Fisher Street. Sometimes takes literally 5 minutes of waiting to cross the road waiting for unyielding cars to pedestrians.	3/21/2014 1:15 PM
449	Teenagers other than sports enthusiasts have very little community activity.	3/21/2014 1:12 PM
450	We have a great downtown. Make it easier, safer to walk around and enjoy.	3/21/2014 1:04 PM
451	Sale of town property, i.e. library.	3/21/2014 12:59 PM
452	Drug addiction in youth population. Crosswalk at Main and ? (by Red Cherry). Cars do not stop!	3/21/2014 12:56 PM
453	My son graduated WHS in 2001 - underage drinking and drugs were a HUGE problem in the late 90's and early 2000's (Hoping the problem has been addressed in last 10-15 years?)	3/21/2014 12:49 PM
454	Police presence around town - whether walking, in cars, interacting within the community, e.g., go to town baseball games, scoutings, parks, schools, etc.	3/21/2014 12:40 PM
455	I'm concerned about the number of accidents on 1A from Norfolk Street to Winter Street. Living off Huntington Ave., my family members have been hit in front of Cumberlands and at the end of Huntington Ave from high rates of speed. It's a nightmare! Thank you all for your great service!	3/21/2014 12:38 PM
456	Red light violations (Rte 27 and Washington Street) one of many.	3/21/2014 12:33 PM
457	I want to emphasize the poor street lighting and poor sidewalk conditions. I am a runner and find it very difficult to run after dark. Often I run in Norwood at night because their lighting and sidewalks are much better !	3/21/2014 12:27 PM
458	Traffic on East Street/High Plain Street: dangerous intersections at school and High Plain fork.	3/21/2014 12:14 PM
459	Cars not stopping for buses.	3/21/2014 12:11 PM
460	Driving/speeding down Washington Street between Route 27 and Common Street. Significant issue.	3/21/2014 12:08 PM
461	A few overzealous officers.	3/19/2014 3:35 PM
462	Lack of professionalism from officers. Guilty before investigation. Too aggressive in ticketing.	3/19/2014 3:29 PM
463	Running red lights. Should have cameras at some intersections.	3/19/2014 3:24 PM
464	1. More lighting @ train station crosswalk West St. 2. West St. @ Plain St.- drivers not stopping @ school bus drop off.	3/19/2014 3:19 PM
465	cellphone use	3/19/2014 3:03 PM
466	I've lived here all my life + feel pretty safe @ my home, but I have concerns when I see ambulance + police flying out of control thru Walpole Center.	3/19/2014 2:55 PM
467	All or any Walpole residents that don't pull over for emergency vehicles should be ticketed. Unbelievable in this town. All I ever hear are the horns for people to "pull over"!	3/19/2014 2:36 PM
468	Not aware of any.	3/19/2014 2:28 PM
469	Sidewalks keep getting worse so people are choosing to walk, jog, run in street including children.	3/19/2014 2:22 PM

CITIZEN PERCEPTION OF CRIME IN WALPOLE

470	My home is next to south Walpole town land and the 2 huge water towers - never a problem since we completed our house in 1965!! The town land runs to Route 1 and stadium..	3/19/2014 2:11 PM
471	The town should use Boyden School and South Pool lots for stadium parking to make money, rather than having officers keep people away.	3/19/2014 2:09 PM
472	Speeding on side streets used for cut through cars can take main roads. Cars not stopping for buses or pedestrians in sidewalks.	3/19/2014 2:07 PM
473	Walpole officers' use of cell phones on the job.	3/19/2014 2:05 PM
474	Illegal parking in Winter. Parking on street and sidewalk. Main concern East Street and Hemlock.	3/19/2014 2:03 PM
475	Students leaving and entering HS in morning and afternoons.	3/19/2014 2:00 PM
476	Bullying - be sure to have RAD and other programs in place for kids. Suicide prevention, homophobia education, race relations and multicultural awareness too.	3/19/2014 1:56 PM
477	Not doing enough to prevent traffic accidents at several dangerous intersections in East Walpole! More traffic violation tickets (speeding, running stop signs) should be issued and more of a police presence should be displayed. No one speeds on Pleasant Street in Norwood because the Norwood cops are there, very visible on a daily basis! Drivers know they are there and speeding leading to accidents is not a problem. This should be done especially on Washington Street.	3/19/2014 1:49 PM
478	When police were called for domestic abuse- my husband talked his way out of being arrested. Several domestic calls were not taken seriously.	3/19/2014 1:39 PM
479	per ques. 21 speeding cars on Union St.	3/19/2014 1:28 PM
480	Speaking from my neighborhood, the 4-way stop at South & Pine Sts. is typically ignored by motorists. There have been some close calls, specifically commuters between 6:30-8:30 am.	3/19/2014 1:21 PM
481	As a resident in a senior community - well protected and feel safe at New Pond Village and Walpole in general! Never had a need to call police but feel sure response would be quick one. Responsive to me personally and our community. (New Pond Village)	3/19/2014 1:03 PM
482	I have been approached by women at CVS and heard of others being approached at Stop & Shop as well. hey ask for rides/money and are not nice when you say no.	3/19/2014 12:59 PM
483	Need higher visibility in neighborhoods. Need to check more on one way streets and people disregarding no left/right turns - e.g. Kendall onto Main.	3/19/2014 12:54 PM
484	Police vehicles are driving too fast through Walpole Center for non emergency situations. This complaint I have heard from many residents.	3/19/2014 12:50 PM
485	Great community.	3/19/2014 12:46 PM
486	1. Motorcycle noise - Is ordinance enforced? 2. Illegal street parking creates safety hazard. For instance parking at corner of East and Washington Street during Blessed Sacrament mass. 3. Street parking on East Street for games at Bird Middle School fields is a serious accident waiting to happen!	3/19/2014 12:44 PM
487	Our street does not have street lights. I don't know why. It is dangerous to walk at dusk or dark. We have no telephone poles. Maybe this is the reason, but we should still have some sort of lighting.	3/19/2014 12:39 PM
488	Lights at Big Y, Old Post Road - extremely dangerous! Speeding on OPR!!	3/19/2014 12:33 PM
489	Red light violations not enforced on Rte. 27 at Old Post in morning (rush hour). Even with crossing guard present MV's run right through red lights. "constant"	3/14/2014 1:20 PM
490	Lack of crosswalks on Common Street between high school and Washington Street. Kids crossing for bus stops have a very difficult time.	3/14/2014 1:15 PM
491	As a 74 year old, I am pretty fit and manage well to shovel my driveway. A problem is when I am out of town and come home to a huge icy wall across the entrance to my driveway which denies me entry into my driveway. (I am talking about snowfalls.)	3/14/2014 1:09 PM
492	Fireworks much too late into the night (after 10p.m.)	3/14/2014 12:44 PM
493	My mom was pulled over in the center, her license had expired. She was told my the officer that he could have her car towed and have her arrested. He did let her go with a warning. Slightly aggressive behavior towards a 75 year old lady on a walker. She was never even told why she was pulled over in the first place.	3/14/2014 12:41 PM

CITIZEN PERCEPTION OF CRIME IN WALPOLE

494	Inconsequential.	3/14/2014 12:36 PM
495	Town of Walpole has an excellent police department.	3/14/2014 12:33 PM
496	Gould Street and 1A needs a traffic light desperately.	3/14/2014 12:30 PM
497	Program to show women how to defend themselves.	3/14/2014 12:28 PM
498	I would like to see more speed enforcement on rural roads. As a Lincoln Road resident there are no speed signs - yet people go 40 mph regularly in the a.m. and p.m....as you know 2 children were hit by a car on this road. At least put up a speed trailer to remind motorists.	3/14/2014 12:22 PM
499	The speeding vehicles on Fisher Street is a huge problem. A lot of people who live around the area walk their dogs along the sidewalk but trying to cross the street to get there is scary. My husband almost got hit by a school bus speeding down the street!	3/14/2014 12:18 PM
500	Need to slow drivers on rural streets.	3/14/2014 12:14 PM
501	Loitering around convenience stores, always looks like drug deals about to go down. Walpole needs a better police station.	3/12/2014 3:44 PM
502	Issue with amt. of trucks travelling & speeding on South St. There are no sidewalks & my children have to walk to bus stop on Wash. St. They have almost been hit numerous times; landscaping trucks speed on South St. it's dangerous to the comm.	3/12/2014 3:27 PM
503	Running red lights, enter left hand lane too soon.	3/12/2014 3:17 PM
504	Noisy motorcycles.	3/12/2014 3:09 PM
505	Walpole is one of the nicest places I've ever lived. I have the friendliest neighbors I've ever had!	3/12/2014 3:04 PM
506	Timely repair of streets and sidewalks by Walpole DPW and longevity of repairs, substandard work and materials.	3/12/2014 2:56 PM
507	Time and effort spent at Longview which takes away from other town duties.	3/12/2014 2:46 PM
508	Police station needs to be renovate, high school traffic at end of day tough with students pulling out, buses can't pull out safely. High school students in town forest drinking and having bon fires. Potential for fires concerning.	3/12/2014 2:36 PM
509	People speeding down South St.	3/12/2014 2:21 PM
510	None. Police Dept. works hard. They need a new police station. The town needs to take care of the men and women who help and protect the citizens.	3/12/2014 2:09 PM
511	Thank you WPD! I think you do a great job.	3/12/2014 1:57 PM
512	Speeding on Lincoln Road	3/12/2014 1:38 PM
513	Lack of support for public property is a problem.	3/12/2014 1:14 PM
514	Legalizing marijuana is a significant big problem.	3/12/2014 1:09 PM
515	I am so far away from the stadium. I wasn't thinking about that area until question #38. It may be different over that area.	3/12/2014 1:05 PM
516	None...the police are great here. Been friendly and helpful.	3/12/2014 1:02 PM
517	Presence of police at T station when off-hour travel. Safety of kids on Main Street while waiting for bus. Presence of police at gym facilities' parking lots.	3/12/2014 12:58 PM
518	A hazard traffic section - High Plain and East Street.	3/12/2014 12:54 PM
519	Car phones.	3/12/2014 12:51 PM
520	This may seem minor, but last summer I noticed quite a few Walpole "tweens" and children texting while riding a bike. I know there is a lot of texting and driving info directed at teens, but maybe we need to start younger?	3/12/2014 12:49 PM
521	Need traffic light at School Street and Route 27, awful intersection.	3/12/2014 12:46 PM
522	Walpole needs a nicer police station.	3/12/2014 12:35 PM
523	I feel concerned about children, not just in Walpole, but everywhere in the country. I don't feel that Walpole is unsafe for children.	3/12/2014 12:30 PM

CITIZEN PERCEPTION OF CRIME IN WALPOLE

524	Understaffed ! Needs an updated station to perform effectively.	3/12/2014 12:27 PM
525	The Walpole PD is understaffed for a town population of this size.	3/12/2014 12:24 PM
526	Cars running stop signs and red lights.	3/12/2014 12:13 PM
527	Graduation parties every year are all but overlooked. I think they should be handled in a more strict manner. After all these kids are underage.	3/12/2014 12:11 PM
528	N/A all o.k.	3/12/2014 12:08 PM
529	No more than any other town. Cops/fire/EMT's are doing an excellent job !!! Not own is perfect.	3/12/2014 12:02 PM
530	Traffic on Route 1A and the inability to turn safely onto Route 1A for much of the day.	3/12/2014 11:59 AM
531	This isn't an answer to this question, but it is a problem, in my opinion. I drive through Walpole center 5 days a week, at least 2-3 times a day a week. I observe cars blowing through the red light at the intersection of 27 and 1A. It's the most dangerous intersection in town. Would cameras help?	3/12/2014 11:55 AM
532	A four way stop sign should be installed at School and East Streets because of the numerous car accidents.	3/7/2014 3:24 PM
533	Too many new developments. Condo owners should be entitled to town trash pick up and snow removal or our taxes should be lowered.	3/7/2014 3:22 PM
534	Lack of sidewalks on West and Norfolk Streets. No safe walking in town,	3/7/2014 3:16 PM
535	Main St./1A traffic - main cause is the traffic lights in the center of Walpole. These lights need to be synchronized better.	3/7/2014 3:13 PM
536	The prisoners picking up trash on Summer and Washington Streets near the schools. Too close to children.	3/7/2014 3:10 PM
537	Increase enforcement of m.v. laws in town. Decrease enforcement of m.v. laws Rte. 1. Stop sign/red light violations - Front/Common St. by mail boxes.	3/7/2014 3:08 PM
538	home/car burglarized - only a little concerned, enough so that we keep home and cars locked day & night. We are concerned generally about traffic safety everywhere, not only Walpole, due to OUI, texting, cell phone use and soon legalized marijuana.	3/7/2014 3:04 PM
539	The speed limits where I live are 20mph and 30 mph yet it is 35mph through the center of town. I often see vehicles speeding especially on Sunday trying to beat the light at the end of the center. Also they speed down Common St. past the post office. People cross the street all over the center and in front of the post office.	3/7/2014 2:59 PM
540	I believe the WPD show no tolerance for certain crimes - when there are times where a little common sense can be exercised. Community awareness training should be required for the police. Sometimes a little tolerance can work wonders for the community.	3/7/2014 2:55 PM
541	Not enough street lights and sidewalks, public transportation and retail stores.	3/7/2014 2:52 PM
542	If there is a consideration to allow legal use of pot, this will be horrible for Walpole.	3/7/2014 2:47 PM
543	Traffic flow in the center of town. 10 minutes to go from 1A in front of CVS to Swan Pond. Maybe time the traffic lights better or allow right on red at Bank of America (West Street)	3/7/2014 1:48 PM
544	Domestic violence. Bullying	3/7/2014 1:37 PM
545	Property taxes are too high on homes. Freeze taxes for seniors. Library should open at 9 a.m. Senior center is needed. New Ball fields are not needed. Keep more wooded areas. Less homes to be built. Need traffic light at School & East Streets and School and Common Streets. Need turn arrows on the traffic lights at East Street and Route 1A. Crossing the street in the center is dangerous.	3/7/2014 1:26 PM
546	Development of more low income housing is a huge concern.	3/7/2014 1:20 PM
547	Rude driving behavior	3/7/2014 1:13 PM
548	18 wheeled trucks driving on narrow streets that have no sidewalks	3/7/2014 1:10 PM
549	Many drivers are not courteous to drivers trying to get out onto Route 1A. Cars driving through Walpole center speeding.	3/7/2014 1:02 PM
550	My concern for the safety of runners. I drive before sunrise through Walpole and Norfolk and runners are on the narrow streets. They are difficult to see and I have heart failure every time they appear in the headlights. They are better served on tracks or sparsely travelled streets. I fear for their safety. (Also bike riders)	3/7/2014 12:55 PM

CITIZEN PERCEPTION OF CRIME IN WALPOLE

551	Need to get traffic lights at Route 1A and Norfolk Street. It's like the wild west at that intersection. A yellow blinking light is ignored by drivers.	3/7/2014 12:48 PM
552	Texting while driving !	3/7/2014 12:40 PM
553	Speeding down Joal Ave and Pemberton Street. Constant issue !!	3/7/2014 12:37 PM
554	Cars speeding Common Street and Washington Street.	3/7/2014 12:34 PM
555	I think the Walpole Police Department is doing a great job.	3/7/2014 12:31 PM
556	Unregistered vehicles, trailers, boats selling & storing vehicles in residential neighborhoods.	3/7/2014 12:27 PM
557	No other concerns	3/7/2014 12:19 PM
558	Failure to monitor traffic - stop signs North Street, High Street, Gill Street. Excessive speed, tailgating on High and North Street. (Insufficient monitoring of this location.)	3/7/2014 12:15 PM
559	Rude people and poor manners	3/7/2014 12:08 PM
560	Inadequate traffic lights at dangerous intersections. 1A (Bullard). Sooner or later someone is going to get killed. Speeding on secondary roads. Children at risk in dense areas.	3/7/2014 12:00 PM
561	Cars using the drive through bank at Rte 1A & 27. Cars exit usually against traffic waiting for lights - maybe should be right turn only?	3/7/2014 11:56 AM
562	We had a few suspicious door to door salesmen in our neighborhood in summer of 2013.	3/7/2014 11:47 AM
563	I appreciated the article in Times regarding underage drinking and driving home - the consequences for adults and the kids. Alcohol and drug problems are societal and WPD must stay on top of this for the sake of our whole community.	3/7/2014 11:43 AM
564	We need a new police station. I believe this should have come BEFORE the library.	3/7/2014 11:36 AM
565	Traffic enforcements - especially along Rte 1. Raceway and people do not stop at red lights, especially at Coney St. Stopping cars coming off Rte 95 and rolling through stop sign is not as important or a public safety issue vs. having the officer at Rte 1 catching a car over 50 going through red lights.	3/7/2014 11:33 AM
566	Size and speed of trucks on Winter st.	3/7/2014 11:23 AM
567	I am a senior citizen living at New Pond Village. Most of these questions do not apply to me.	3/7/2014 11:21 AM
568	A lot of bad intersections, need more signs. Paint for crosswalks and stop lines, etc. Rte 1A and 27 - no one stops on stop line.	3/7/2014 11:16 AM
569	Pot holes or curbs to be fixed. i.e. by Boyden/Jason's Path.	3/7/2014 10:56 AM
570	I don't see most of these as police and/or gov't concerns. Police aren't substitute for parenting - not daycare workers.	3/7/2014 10:51 AM
571	Littering - would like to see a plan to help reduce the amount of trash on roadways - soda/beer bottles. McDonalds and fast food refuse.	3/7/2014 10:41 AM
572	Drunk driving after stadium events. Traffic is only a problem because the barricades and police block ways for me to avoid traffic. As a resident, I should be able to travel the smaller, back roads.	3/7/2014 10:38 AM
573	You've covered most all. Law enforcement does a fine job. Stay updated, that's the key, eyes open and take notice of all.	3/7/2014 10:33 AM
574	None - good town!	3/7/2014 10:29 AM
575	Speeding on access streets to Rte 1	3/6/2014 1:37 PM

578	I consider Walpole a safe town, and I consider WPD a well-run department with quality officers including the newer officers hired within the past few years.	3/6/2014 1:25 PM

582	I am a single parent with teens - very concerned about inadequate street lights on my street. It's not safe, makes neighborhood vulnerable.	3/6/2014 1:13 PM
583	I would like to be able to drop family off on Water St, S Walpole, so they can walk to stadium for football games.	3/6/2014 1:08 PM
584	Distracted drivers (cell phones, texting) not paying attention to other drivers and pedestrians	3/6/2014 1:05 PM
585	I have no idea	3/6/2014 1:00 PM
586	Town is hesitant to clean its own house. Town employees who commit crimes are not prosecuted. Allowing employees to resign is poor policy particularly if it's financially motivated.	3/6/2014 12:46 PM
587	Runners wearing dark clothes at night and early morning - can't see them. Walkers that don't use the sidewalks provided. New traffic lights at key intersections, like at Main & Bullard St.	3/6/2014 12:37 PM
588	The traffic lights in town need to have some time before changing. I notice cars running red lights and the other direction has a green light. Also a sign to keep intersections open.	3/6/2014 12:34 PM
589	Need traffic lights on Main St near New Pond Village	3/6/2014 12:30 PM
590	School security	3/6/2014 11:45 AM
591	When damaged Police should report damage to owner of property, and not have to pay for a report of one's own property.	3/6/2014 11:42 AM
592	Failure of drivers to stop at Homeward & Northwood.	3/6/2014 11:39 AM
593	Taxes & utilities could be lower	3/6/2014 11:36 AM
594	Drivers speed much too fast on residential streets that lead to highway or main road.	3/6/2014 11:31 AM
595	Fisher School - Parking, obstruction of traffic, excessive speeding on Fisher St.	3/6/2014 11:21 AM
596	Sidewalks not cleared of snow & ice in front of houses; illegal hunting or use of guns in residential areas.	3/6/2014 11:15 AM
597	Combat external, negative influences - medical marijuana shops, city-gang recruitment and drug dealing etc.	3/6/2014 11:09 AM
598	Cell phone useage and texting while driving. Causes too many accidents. People who drive down one-way streets certain hours every day - same ones, where there are no sidewalks and buses need it to be this way.	3/6/2014 10:55 AM
599	High school dismissal - no police present, Common St backed up both directions, students & parents speeding through side streets (Mass Ave, Lake Ave, Prospect St) w/no regard for pedestrians and younger children	3/6/2014 10:47 AM
600	Traffic lights at center of Walpole.	3/5/2014 11:35 AM
601	Pot holes! No bicycle lanes, no good sidewalks (there are some exceptions)	3/5/2014 11:30 AM
602	Speeding traffic Rte 1 and side streets - children live in area. Gill and North Street - speeding cars.	3/5/2014 11:27 AM
603	Cars parked in handicapped parking spaces. If they are not authorized to park there they should be fined or towed.	3/5/2014 11:25 AM

605	Speeding and truck traffic on Pleasant St. Speeding especially on narrow roads like Norton and Plimpton Streets.	3/5/2014 11:15 AM
606	I believe Walpole is a great town.	3/5/2014 11:12 AM
607	Rhoades Ave in E. Walpole should be one way traffic because of churches and preschool programs. Very busy street.	3/5/2014 11:08 AM
608	During the summer they have car racing at Gillette Stadium that was very loud and disturbing for all residents of South Walpole and its not fair as a Walpole tax payer.	3/5/2014 11:05 AM
609	Heroin - needles left on sidewalks, streets, etc.	3/4/2014 3:58 PM
610	None, the police are doing a great job. I love living in Walpole, we feel very safe - except for the coyotes.	3/4/2014 3:53 PM

CITIZEN PERCEPTION OF CRIME IN WALPOLE

611	Traffic Lights downtown so bad you don't have time to cross the intersection.	3/4/2014 3:47 PM
612	Speeding through center of town. Everyone wants to beat the lights in town.	3/4/2014 3:40 PM
613	I think the police are focusing on the wrong things, i.e. arresting someone for missing a court ordered class rather than patrolling for drunk drivers that same night. I think the effort is there, but in the wrong place.	3/4/2014 11:44 AM
614	Allow Walpole residents to Water Street to get to Gillette Stadium.	3/4/2014 11:39 AM
615	While I can understand two police cars pulling someone over at times, I find the use of 3 to 5 or 6 cars odd and a bit excessive and wonder about what other resources are left at those times to other sections of town.	3/4/2014 11:35 AM
616	Running red lights.	3/4/2014 11:32 AM
617	Greater supervision of school traffic personnel. Too much speed by police cars in responding to calls, not all the time, but occasionally.	3/4/2014 11:25 AM
618	Bowker Street is a speedway for cars between 6:30 - 8:30 a.m and 3:30-6:30 p.m. Lots of kids on Bowker Street and yelling at the cars or running into the road to slow them down doesn't help.	3/4/2014 11:19 AM
619	The trains after 1a.m. banging together, very noisy, Wish you could do something about that problem. Keeps elderly people awake all night,	3/4/2014 11:14 AM
620	Not enough crosswalks on Rt 1A	3/4/2014 11:06 AM
621	Not problems but our downtown needs more upscale stores, a Starbucks, etc. - more upscale look.	3/4/2014 10:48 AM
622	Sex Offenders - there is a level 3 sex offender that is registered on Lewis Street. We are close to the High School and library and there are tons of children that live on our street.	3/4/2014 10:39 AM
623	People running red lights all over town.	3/4/2014 9:48 AM
624	Cars going through school bus lights. Major issue on Common and Main St.	3/3/2014 4:30 PM
625	Traffic in downtown between 4 - 5 p.m. Especially in front of the dance studio. Double parking and crossing street randomly.	3/3/2014 4:28 PM
626	Putting more cruiser or cops on East St. traffic. Speeding is out of control and people in summer doing U turn on East St. Illegal parking too.	3/3/2014 4:00 PM
627	The people in Walpole need to get their act together and get you a new Police Station. I don't know how you can stand being in the current one much longer - way overdue!	3/3/2014 3:51 PM
628	I feel very safe here.	3/3/2014 3:47 PM
629	The town built a library when they should have built a police station and fire station.	3/3/2014 3:41 PM
630	More focus should be given on known multiple offenders and drug peddlers in family neighborhoods. Multiple arrests, multiple crimes, and walking the streets on bail peddling drugs is not acceptable.	3/3/2014 3:36 PM
631	Allowing dirt bikes and ATV's on NSTAR property that abuts private citizen's property. They are loud and are very annoying and are trespassing.	3/3/2014 3:32 PM
632	Bad drivers. Texting while driving. See it everyday.	3/3/2014 3:25 PM
633	I think WPD are responsive. The one thing I witnessed personally was a new officer talking about a case @ DD out loud and the case involved a family member. This was unacceptable.	3/3/2014 2:32 PM
634	In need of a new police station.	2/26/2014 4:00 PM
635	Parked cars picking up teenagers after Gillette Concerts. At end of Deborah Drive, in woods, public drinking taking place by underage drinkers.	2/26/2014 3:38 PM
636	Walmart - Suspicious people parked in vehicles that are funning. Activity that occurs there after 10 p.m. I had to stop there once around 10:30 and both in and out of store I felt unsafe. Never again will I go there at night. No signs of anyone in charge.	2/26/2014 3:34 PM
637	none	2/26/2014 3:30 PM
638	Noisy neighbors during summer months - radios at high volume - all day long.	2/26/2014 3:28 PM

CITIZEN PERCEPTION OF CRIME IN WALPOLE

639	Distracted drivers driving thru intersections on cell phones (mostly women). I know Police Details are a State Legislature issue. I'm totally opposed to them. When 49 out of 50 states use private contractors at a much lower cost and just as effective at controlling traffic, I think we should use private contractors.	2/24/2014 11:19 AM
640	Not trimming shrubs on corners. Walking/jogging/running on North Street and High Street - very dangerous and someone will get hit and sue.	2/24/2014 11:07 AM
641	Rolling stop signs and rolling right on red. Too much private detail work while at the same time asking to add more cops to the force?	2/24/2014 11:03 AM
642	My one problem is with the animal control officer. Called him several times on different occasions and never had a call back. Other people I've talked to have said the same thing.	2/24/2014 10:57 AM
643	Re: Bike Violations -- not enough room on roads for bikers, for instance the white lane across from Stop & Shop actually is painted on the curb.	2/24/2014 10:51 AM
644	Need light at both ends of Kendall Street. Also need light at Bullard Road crossing at 1-A. Both these streets are very dangerous.	2/24/2014 10:14 AM
645	A basic principal of "self preservation", i.e., driving with cell phones in use, walking into crosswalks w/o looking both ways, while momentarily standing to preserve one self from injury/death. Commuters driving through town.	2/24/2014 9:55 AM
646	Too many accidents at the same intersections such as Washington & Short Street.	2/24/2014 9:51 AM
647	I believe drugs are a severe issue in Walpole, leading to increases in larceny, shoplifting, and breakins, not to mention the increased use of severe drugs (heroin, etc.)	2/24/2014 9:48 AM
648	Problems arise periodically and the town does very well with them. Walpole PD let's us sleep at night comfortably. Thankyou.	2/24/2014 9:44 AM
649	School safety is my highest concern. Speeding on North and High Streets.	2/24/2014 9:28 AM
650	Traffic light issues	2/24/2014 9:25 AM
651	Enforcement of basic traffic laws -- speeding, passing on the right violations, safety of pedestrians in crosswalks, cars parked facing in wrong direction, cars passing over double yellow lines, cars not stopping at stop signs -- all are regular occurrences in and around town.	2/24/2014 9:20 AM
652	Cars going thru lights especially Rt 1 and Coney St.	2/21/2014 3:47 PM
653	T 34E bus speeding on Washington Street; continuing accidents at Washington and Polley Lane/Short Streets despite new signage (thank you for that)	2/21/2014 3:42 PM
654	We live close to Longview Farm and they seem to be able to manage their students better than in the past but those kids can present a threat.	2/21/2014 3:27 PM
655	Existing side walks are a joke. Lack of sidewalks on busy streets are a safety condition.	2/21/2014 3:21 PM
656	Lights at East & 27 intersection, speeding on East St. from Short to Washington St. Cars parked on the bends in the road especially back entrance to bird condos.	2/21/2014 3:09 PM
657	Consistent failure of drivers stopping (completely) at stop signs.	2/21/2014 3:05 PM
658	None really - Don't know if it falls into police but abandoned buildings should be taken down i.e. Washington St. by the "cookie" factory.	2/21/2014 2:59 PM
659	More officers on patrol in residential areas. More "community policing" in residential areas.	2/21/2014 2:52 PM
660	People running in the street when side walks are available. Often these people are in dark clothing and sometimes it is after dark.	2/21/2014 2:29 PM
661	Truck traffic on Union St. Truckers start at 5 a.m. and end around 9 p.m. They are noisy and drive too fast. Can they be re-routed to Morse St which is all industrial?	2/21/2014 2:26 PM
662	Lack of traffic lights at some very dangerous intersections.	2/20/2014 2:52 PM
663	Walpole Police are very good.	2/20/2014 2:45 PM
664	My concern is for the officers who pull cars over for violations. The new blue lights are blinding as other cars drive by. I am nervous the officer will get hit walking to the car or cruiser.	2/20/2014 2:42 PM
665	Distracted driving is epidemic, and all of it conducted at excessive speeds.	2/20/2014 2:40 PM

CITIZEN PERCEPTION OF CRIME IN WALPOLE

666	Feel as tho Bird Park could use a foot or bike patrol on busy days. Perk personnel aren't always there. Seen teens harassing Canadian geese w/big sticks and people letting their dogs chase the geese in middle of Winter.	2/20/2014 2:06 PM
667	Need for a traffic light at the corner of North and 1A by the Aggie School.	2/20/2014 1:59 PM
668	Parking on East St @ Blessed Sacrament is too dangerous. No sidewalks, cars too fast on Kendall St. Heroin - why? Educate teens, stop the supply	2/20/2014 1:55 PM
669	I live in a retirement community and speak more from my general view on problems and not specifically about Walpole. My contact with police here is nothing but very positive.	2/20/2014 1:52 PM
670	Let's do away with private police details on construction sites, not necessary & expensive. Private flaggers more reasonable. No override for any new police or fire station., Funds should come from regular operating budget or state/federal aid. Rise in taxes has been very high recently.	2/20/2014 1:46 PM
671	Dog walkers (my yard -- what a mess)!	2/20/2014 1:41 PM
672	Drunk driving - it seems that there are one or more incidents in the police log each week (and suspended licenses) - not all Walpole residents, however.	2/20/2014 1:37 PM
673	Traffic light at Fisher/Main; Sidewalks on Fisher St.	2/20/2014 1:34 PM
674	I guess I'm quite satisfied with the situation. Thank you for all that you are doing.	2/20/2014 1:28 PM
675	An increase of motor vehicles parked on public streets overnight during snow storms.	2/20/2014 1:23 PM
676	Sex offenders not registered or "checked-in" every so often. 5. Crime increase - robberies at DD shops, shoplifting reports, robbers at banks. 6. Afraid of going to the bank and bank machine	2/20/2014 1:20 PM
677	Inadequate lighting on Clarkson Drive; Drug abuse and access to drugs.	2/20/2014 1:12 PM
678	Too heavy downtown traffic, especially during commuting hours -- impatient drivers block streets.	2/20/2014 1:09 PM
679	Walpole Police Dept. needs a new facility. 43. I am sure they would be responsive if needed	2/20/2014 1:03 PM
680	I am over 80 -- don't pay much attention.	2/20/2014 12:57 PM
681	I believe Chiefs of all Police Depts surrounding our town, Foxboro, Norfolk, Wrentham, Norwood, Sharon, should devise a plan to utilize our officers in a regional way to possibly reduce manpower and save money on overnight shifts. I encountered the police once in 13 yrs. Had an accident in the Town Square -- Police showed up and did a report -- and I had to pay to get a copy of it for the insurance.	2/20/2014 12:16 PM
682	Installation of traffic signal, specifically Polly Lane & Washington St. Large Caution signs on Washington have not made impact on accidents in that area. Don't wait until there is a death.	2/20/2014 12:07 PM
683	If a 174 apartment complex is allowed to be built on Moosehill Road, my answers could change. The police are great about getting to this neighborhood fairly quickly but I think currently there are few calls. I rarely see a cruiser just riding through the neighborhood without being called. I suspect that if the apt. complex is built, there will be more crime and more calls.	2/19/2014 3:44 PM
684	Abandoned houses, unregistered cars, paring on sidewalks.	2/19/2014 3:26 PM
685	Constant dog barking - Notch Road Drug activity - Winter Street	2/19/2014 3:18 PM
686	Investigate mailmen & women dealing drugs, often seen on side streets, seems to be a known issue in town.	2/18/2014 8:45 PM
687	I would very much like to have police station to some how remain downtown - with satellites at Walmart.	2/18/2014 2:05 PM
688	Parking on sidewalks Hartshorn Road and elsewhere.	2/18/2014 1:20 PM
689	Walpole is a good town; Downtown could use more diversity.	2/18/2014 1:16 PM

696	Cell phone use while driving; Drivers who roll through stop signs - very few actually come to a complete stop.	2/18/2014 12:42 PM
697	Tailgating and aggressive drivers late at night when trying to drive the speed limit on 1A, around 12:30 am to 1:30 am. I know cop car usually in CVS parking lot and pick-up truck usually right on my bumper.	2/18/2014 12:37 PM
698	I'm concerned about prostitution and potential sexual trafficking along Rt 1, from Dedham to Wrentham. I wish more resources could be put into this issue - as well as drug & alcohol prevention. Thanks for the good job you do!	2/18/2014 12:33 PM
699	Marijuana -- Oversight implementation of guidelines.	2/18/2014 12:23 PM
700	I live on Millbrook Ave and I continue to be concerned re vehicles that speed on our street. With the recent addition of Toll Brothers Const building homes in neighborhood, there is an increase of thru traffic, thus cars excessively driving about speed limit. I spoke with Lt Leland over a year ago, and he was extremely helpful. However, I remain concerned about the cars speeding on our st.	2/18/2014 12:19 PM
701	Downtown traffic through center has gotten worse in last 5-10 years -- backup from Mcdonalds to Town Center, cannot get out of North St onto Rt 1A - very congested.	2/18/2014 12:13 PM
702	Making right turns illegally at red lights downtown; Excessive speed through downtown.	2/18/2014 12:07 PM
703	I have found Police Dept to be over-zealous to law-abiding citizens, and not a community police association. They treat "residents" like they are criminals, stalk residents, and do not focus on troublemakers that drive through here. They are very rude when you call them with a problem or report something. I have had 2 instances over he years with mailbox vandalism, eggs on house, et.	2/18/2014 11:59 AM
704	Illegal hunters in the woods near CSX tracks near Walpole Industrial Park. I've seen them out there twice, once every few years.	2/18/2014 11:49 AM

708	Speeding cars on Washington St; Crosswalks often ignored between E Walpole and 27, especially during peak commuter times	2/18/2014 11:14 AM
709	This is pretty good! I will emphasize that NO ONE stops to let someone cross the street; Also, people drive too fast on Main St.	2/18/2014 11:09 AM
710	Large trucks, 18-wheelers, using residential streets that are marked load limits of 8 tons -- Coney, Pleasant, Calcott, Old Post Road; Excessive speed of mv on Coney St and at intersection of Washington & Polley Lane.	2/18/2014 10:49 AM
711	There are several dangerous intersections in town (27 & School St.; Washington & Polley) where risk seems elevated.	2/18/2014 10:26 AM
712	People blow through red lights at every intersection. If you would put a police car at the major roads and ticket people you could make a lot of money for this town!	2/18/2014 10:06 AM
713	Unsafe intersections - corner of East & High Plain Ave - very dangerous. Needs work to make safe. Corner of Washington & East.	2/18/2014 10:03 AM

716	Speeding on North St. has become worse!	2/18/2014 9:37 AM
717	Car accidents at major intersections with no traffic lights. Dropping off kids at Robbins Rd, Elm St/Middle School and trying to make a left turn with out getting hit. There should be blinking yellow lights at the schools so cars slow down. It is terrible in the a.m. You take your life into your hands making a left onto Elm St.	2/18/2014 9:28 AM
718	#27 - Joggers - Snowing and joggers have no regard for drivers in these conditions - actually running in the travel lane. Sunny days are one thing but in tough conditions you could "have a word"	2/18/2014 9:22 AM

720	Turning on red lights. Running red lights. U turns in Walpole Center.	2/18/2014 9:15 AM
721	Walpole does not seem to understand the impact of Gatehouse Preserve and other low income housing's impact on services like Police.	2/13/2014 12:43 PM
722	Crime is increased at Walmart, DD, etc; We fight back and clean up crime here; Intoxicated drivers a problem everywhere; Car horns, noisy neighbors, and barking dogs is getting worse; Speeding cars is huge problem, traffic volume is heavy, people run red lights, inconsiderate to side traffic, do not obey right on red, and do not recognize pedestrians walking; 4th of July, love the bike cops and presence; WPD is always responsive -- great job.	2/13/2014 12:32 PM
723	I live on Washington St Ext, the Stop sign at Washington, Neponset & Water is so dangerous, lots don't stop, a lot of accidents; What happened to shutting down S Walpole during stadium events? 726	Care needs to be taken to insure that police fund raisers do not call and misrepresent citizen's past contributions, amounts or dates. This makes a very bad impression.	2/12/2014 3:35 PM
727	Hunting issues.	2/12/2014 3:30 PM
728	Lack of police presence "walking a beat". I never see police downtown on sidewalks.	2/12/2014 3:27 PM
729	Morning and evening traffic through the center and the lack in red light obedience!	2/12/2014 3:21 PM
730	Sidewalks on Main St. from Stop & Shop to Norwood line are abysmal. Lights on Plimpton St. are necessary. Speed check on Main a must. Inadequate street lighting on Plimpton St. Dilapidated streets/sidewalks on Main St.	2/12/2014 10:46 AM

#	Responses	Date
1	DARE	9/25/2014 9:20 AM
2	A serious Bullying Program in Elementary, Middle and High Schools. According to my child (elementary age) it is a problem.	9/22/2014 1:46 PM
3	There has to be a way to stop cars going through red lights. Almost daily I see this happen. Rt 27/High Plain is awful - also Rt 1/Rt 27.	9/22/2014 1:43 PM
4	RAD for kids, Stranger Danger/Self-Defense for school-age kids.	9/9/2014 11:27 AM

7	In addition to a website and facebook, also add a Twitter Acct.	6/30/2014 11:45 AM
8	Re Foot Patrol - I have seen an officer only a handful of times, same w/bike patrol. These should be increased downtown & at schools.	6/30/2014 11:40 AM
9	Prosecution of police who rip off Stop & Shop. Prosecution of thieves in Town Treasurer's Office. Rethink promotion "good old boy" network scam. Prosecution of fireman groups who use engine to shop @ CVS while on duty.	6/17/2014 6:02 PM
10	None apparent.	6/11/2014 1:28 PM
11	#50- It depends who it is. Not if kids don't respect the individual.	6/11/2014 1:21 PM
12	Gun Safety	5/30/2014 10:25 AM
13	Very frustrating - police officers either on phone or not paying attention when any kind of service work is being done on public roads. Disrespectful to drivers and clearly a safety issue.	5/29/2014 10:13 AM
14	email for questions/answers with name and address provided	5/28/2014 1:54 PM
15	a charity drive	5/28/2014 1:49 PM

22	Educating kids on the dangers of social media.	5/22/2014 3:02 PM
23	More of a presence at Bird Park wooded areas so women would feel safe walking alone.	5/22/2014 2:58 PM
24	Accountability - cooperation - information of rights available to citizens more public oriented than self serving.	5/22/2014 2:38 PM
25	Cops should be more approachable and friendly. Be different, don't go along with the "police state" mentality and enforcement that is starting to occur in USA.	5/22/2014 2:34 PM

CITIZEN PERCEPTION OF CRIME IN WALPOLE

26	Enforce pedestrian crosswalk laws.	5/22/2014 2:32 PM
27	I trust the Police Dept. I feel they have the knowledge, experience and insight to know where to best utilize their resources.	5/22/2014 2:30 PM
28	Not sure if it still happens but as my children will start elementary school in the next few years, DARE would be nice to have.	5/22/2014 2:30 PM
29	I feel the WPD are doing a fine job. Thank you to them!	5/22/2014 2:28 PM
30	Reduce littering. Awareness with aim to reduce domestic violence. Increase of transparency & accountability within the department.	5/22/2014 2:27 PM
31	Neighborhood watch program.	5/22/2014 2:24 PM
32	I am very satisfied with the police and the way Walpole handles our protection. Also, the officers are very nice and always say hello when I see them and say hi. That shows such character. I grew up in Newton and I tell you the "ego's" on those police officers was horrible. :)	5/22/2014 2:23 PM
33	Elder services, police foot patrol, and bike patrol unit.	5/22/2014 2:23 PM
34	I love having officers visit schools (elementary). My daughter told me she asked a police officer to help her open her soup thermos one day!	5/22/2014 2:21 PM
35	Periodically - monthly; quarterly - open meetings with citizens. Have fixed agenda based on education/training issues plus have open Q & A. Subjects: drinking and driving (what does breathalyzer reading really mean) Drug awareness for parents; basic self defense; etc.	5/22/2014 2:19 PM
36	Have Bike Patrol speak w/different neighborhoods & children about safety. Have an Open House Day at Station (maybe on Walpole Day) Have Basketball games with the kids.	5/22/2014 2:13 PM
37	Have a school resource officer that has the support of the students and families. This is currently not the case.	5/22/2014 2:12 PM
38	You have things in order.	5/22/2014 2:09 PM
39	More interest in seniors.	5/22/2014 2:07 PM
40	My wish is the town provide to the police a more modern and practical police station.	5/21/2014 3:48 PM
41	Doing a great job.	5/21/2014 3:17 PM
42	I feel we are lucky in Walpole. We have a great department.	5/21/2014 3:11 PM
43	Foot patrol in downtown Walpole and help with traffic during commuting time. Ticket cars/trucks parked over 2 hours in Walpole Center. Should not be any all day parking, especially in the common area.	5/21/2014 3:07 PM
44	RAD for children.	5/21/2014 3:04 PM
45	You are doing a GREAT job! Keep up the good work. You handled the High School texting scandal well. Nice job & thank you!	5/21/2014 2:51 PM
46	Drugs, especially heroin is on the rise. Would like to see more programs that educate young and old alike. Need programs that provide support, spiritually, emotionally and physically. This is a disease that effects all walks of life. Intervention programs greatly needed in this area and educating young people most crucial.	5/21/2014 1:05 PM
47	Open House at the police station maybe? Citizens could see firsthand the cramped conditions there for a modern police dept. and perhaps pave the way for a new facility.	5/21/2014 12:22 PM
48	Overall, I think the dept. is doing a very good job. Concern for citizens and outreach very good. Glad to see an officer after 4 p.m. mass Saturdays at St. Mary's in E. Walpole. Safety was a concern, especially, in winter months.	5/21/2014 12:15 PM
49	Better promotion/awareness of self defense classes for kids and adults. Also do them late in the evening (9pm) for working moms.	5/21/2014 12:12 PM
50	Really good improvement with community communication. Nice job, we appreciate all you do.	5/21/2014 11:49 AM
51	I think fire trucks should not come out with every emergency. I think if more questions are asked it would be determined that a fire truck is not needed. Unfortunately in this world, everyone wants to cover themselves.	5/21/2014 11:45 AM
52	Change perception that police are not friendly.	5/21/2014 11:42 AM

CITIZEN PERCEPTION OF CRIME IN WALPOLE

53	Work on removing "known" drug-use areas/houses/apartments.	5/21/2014 11:33 AM
54	Expand drug and alcohol awareness beyond prom season. Maybe get people to realize how there is an issue even in Walpole - it's not just homeless junkies anymore!	5/21/2014 11:28 AM
55	When someone comes to solicit have them get a temp permit or card from WPD. Have them put a deposit down for the permit and when they come back they could get back the deposit. Set up speed traps in new areas. Keep everyone guessing. That should slow people down.	5/21/2014 11:21 AM
56	Diversions program for 1st time underage drinking or marijuana smokers, where they complete school-sponsored substance abuse program in lieu of going to court. If they fail to complete, then charges could go forward.	5/20/2014 12:56 PM
57	Gun Buy-Back.	5/20/2014 12:46 PM
58	You are doing a great job. Thankyou to all dedicated professionals. Keep the drugs out of reach.	5/15/2014 3:15 PM
59	Foot patrol.	5/15/2014 2:57 PM
60	Publish: punishment for underage drinking & drug possession; parents' responsibility for same; list of misdemeanors & punishment for teens.	5/15/2014 2:55 PM
61	I would like response time to improve for North Walpole.	5/15/2014 2:49 PM
62	Program similar to Harwich Police Dept for citizen education. Very well received by relative.	5/15/2014 2:47 PM
63	Jr police academy for middle/high school. Thankyou for all you do - your dept is highly visible in community events.	5/15/2014 2:44 PM
64	What are the services? May be excellent, but doesn't help if they are not communicated.	5/15/2014 2:37 PM
65	Talk on ongoing basis about dangers of marijuana and all drugs in general. We are being sold a bill of goods by the media on this issue.	5/15/2014 2:33 PM
66	Keep up good work. WPD is professionally run and responsive.	5/15/2014 2:22 PM
67	Do a better job of getting some of the programs listed above known. I actually did not know a good number of the programs above were offered. Cops Corner is a must read for me. Please keep that up. How about a citizen ride along program?	5/15/2014 2:14 PM
68	#60 Would like a certified car seat inspector! Norfolk PD is the closest.	5/15/2014 1:58 PM
69	More time in the elementary schools so children are not afraid and learn to be good citizens from those who enforce the laws. Safer streets for pedestrians.	5/14/2014 1:52 PM
70	Thank you for the survey. I think overall the Walpole PD does an excellent job!	5/14/2014 1:46 PM
71	Have somewhere were kids can go to an elder and feel safe.	5/14/2014 12:05 PM
72	Some sort of kid friendly events to help build the relationship between the officers and kids in the community. I see some kids seem to be afraid of police officers in uniform. An event where officers can be less formal may make them seem more approachable to youth.	4/25/2014 2:12 PM
73	My son loves to meet Walpole Police and fire departments at local events such as open house at the fire station and the library meet and greet.	4/25/2014 2:09 PM
74	Understanding mental health issues and interventions.	4/25/2014 2:06 PM
75	n/a	4/23/2014 2:56 PM
76	Stop overnight parking on streets. Ticket at bridges on West Street (trucks included) Ballparks and schools. Stop autos from crossing solid white lines on Main Street. Take away white lines at CVS.	4/22/2014 12:54 PM
77	I am personally familiar with a number of officers and supervisors as I am a lifelong resident. The police provide excellent leadership, services, role model for community. The selectman should really generate funding for a state of the art combined public safety facility for our professional police and fire personnel and stop being so anti-business.	4/22/2014 12:43 PM
78	More tickets for red light blowers.	4/22/2014 12:38 PM
79	More programs with kids of all ages, outside of school; i.e. sports leagues sponsored by the police department or other youth events sponsored and organized by the police department. So kids get to know the officers.	4/22/2014 12:31 PM

CITIZEN PERCEPTION OF CRIME IN WALPOLE

80	Periodic coffee with the chief. (check with Yarmouth, MA police department)	4/22/2014 12:23 PM
81	I would like to see more involvement in the schools. Just checking in on the younger/elementary schools. As far as the high school and middle school, more involvement, getting to know the kids. A lot of the policemen and women grew up in Walpole - use that to reach the teens.	4/22/2014 12:20 PM
82	Stop people when they run yellow and red lights. Old Post, Route 27 intersection is dangerous.	4/22/2014 12:17 PM
83	Since we do not have school children or are involved too much with town, it is difficult to answer. However we do appreciate the town and feel it is well run.	4/22/2014 12:13 PM
84	I want the police to not just work in Walpole, but be a part of the community. Police have lost touch with their community. They work for us and should work hard to embrace our community.	4/22/2014 12:04 PM
85	Have more community efforts with residents. How can we help? Tell us what your strategic plan is for Walpole...goals, etc.	4/22/2014 11:58 AM
86	Awareness program for pedestrians and bikes in evening traffic - wear reflective vests, cross street defensively, etc.	4/22/2014 11:55 AM
87	Honor Guard should be supported in total by the police union local.	4/22/2014 11:52 AM
88	Bank robberies/where the cash is seems o be high now.	4/22/2014 11:44 AM
89	Stop wasting resources on police details for construction. This is a \$10/hr job for an underemployed.	4/22/2014 11:41 AM
90	The programs offered seem sufficient.	4/22/2014 11:34 AM
91	Continue your efforts to site and build a new Walpole Police Station.	4/22/2014 11:27 AM
92	None that come to mind. Stay with those programs that work well.	4/22/2014 11:25 AM
93	Protect and serve.	4/22/2014 11:23 AM
94	Many meds are destroyed through the sewer. There should be a ban on that completely. Very difficult for anyone to discard unused meds properly. Water contaminated.	4/22/2014 10:54 AM
95	Is there time for more?	4/22/2014 10:49 AM
96	I would like to feel their opinions/input on the development of businesses, issues growth of town, 24 hour Walmart is just one issue, mall - they are not. Make aware of and included or educated about development and if their services can sustain the issues.	4/22/2014 10:39 AM
97	Domestic violence/sexual assault awareness trainings/campaigns; bullying/hate awareness trainings/campaigns. Resources on how to address issues of addiction/illegal drug possession/use; keep up the article in Walpole Times-such a good resource and opportunity to talk about important issues!	4/22/2014 9:51 AM
98	I think you are doing a good job. Keep up he good work. I am sure it's not easy.	4/22/2014 9:33 AM
99	You need to run this survey every year and do a long range study of concerns. Also, report results back to the people either separate mailing or in the Times. I have lived on Killeen for 45 years. I have given to Police and Fire every year. Remember you guys are the only thing between us and the jungle.	4/18/2014 2:15 PM
100	Use of traffic cams to tag violators.	4/18/2014 2:10 PM
101	Please tell Officer White to stop insinuating that all hunters are all felons.	4/18/2014 2:06 PM
102	No use of cell phones while on duty or details.	4/18/2014 2:02 PM
103	Would like to see a speed trap on Brook Street. Cars fly by the Fish and Game. Have never seen a trap there in 15 years. Thank you.	4/18/2014 2:01 PM
104	Right on red Walpole Center.	4/18/2014 1:58 PM
105	Thanks for sending out this survey. Would be good for police to advertise all programs on their website if that's not already done. Also when lockdown practices occur at the schools, please make sure parents are notified prior to the practice, especially in the elementary schools. Coffee with cops program - please advertise on website. Great idea!	4/18/2014 1:56 PM
106	Speed and running Stop sign "traps" on Endean Drive between Mylod and Hildene Drive in East Walpole.	4/18/2014 1:40 PM
107	Programs in schools with student. Strong presence and relationship with town's students.	4/18/2014 1:05 PM

CITIZEN PERCEPTION OF CRIME IN WALPOLE

108	Many of the items listed above are plain common sense and should not involve or need the involvement of the police. If you are supporting all of these programs, I was not aware of it. I think the most important thing is being present in the community in a positive way. Being approachable. Having too many programs would seem to spread you very thing. There has been much discussion about the need for a new police station. Since most policing is done outside of a station, I do not understand how a station would be worth the cost and feel this needs to be better explained.	4/18/2014 1:01 PM
109	None in mind. Police do fabulous job.	4/18/2014 12:55 PM
110	Two of Walpole's greatest assets - Police and Fire. You do a great job. Thanks to all !	4/18/2014 12:46 PM
111	Police department operates favorably.	4/18/2014 12:42 PM
112	I would love to see more senior police academy courses. Also the self defense programs.	4/18/2014 12:17 PM
113	Increasing participation in schools; i.e. visits to local prisons for students; street law classes; the more the better.	4/18/2014 12:11 PM
114	Patrols around neighborhoods to perhaps deter break-ins. Some areas - houses get broken into all the time!	4/18/2014 12:08 PM
115	Domestic Violence Coalition	4/17/2014 1:46 PM
116	Every year close to prom, put a wrecked vehicle in front of high school as reminder not to drink and drive or text and drive.	4/17/2014 1:44 PM
117	Every year, especially when it gets close to prom, to put a wrecked vehicle from a car accident in front of the high school, as a reminder not to drink and drive or text and drive.	4/16/2014 1:43 PM

148	Police Dept is doing a great job.	4/10/2014 1:21 PM

190	Class on home security - defense against break-ins.	4/4/2014 2:05 PM
191	Continue education of police personnel. Look into and apply for as many funding resources as possible.	4/4/2014 2:02 PM
192	I would like to see the DARE program brought back. As the parent of a high schooler, it's unnerving to hear about the drug use and types of drugs being used.	4/4/2014 2:00 PM
193	How about getting rid of the police details at commercial construction on roads.	4/4/2014 1:57 PM

CITIZEN PERCEPTION OF CRIME IN WALPOLE

198	Speeding is a problem on our home street of Winter Street where many families with children including ours live. We'd like to see an initiative to curb this as well as the texting while driving problem. We do appreciate the numerous speeding stops the Walpole police have held on our street!!	4/4/2014 1:31 PM
199	Quality of life issues.... car, bullies, roads and streets, more stop signs.	4/4/2014 1:24 PM
200	Driver/pedestrian awareness of the rules of the road.	4/4/2014 1:23 PM
201	I'd love the police department to keep educating the public on how we can stop the excessive litter problem in certain parts of the town.	4/4/2014 1:20 PM
202	Giving more speeding tickets and running of red lights.	4/4/2014 1:17 PM
203	Keep all stadium and heavy truck traffic on state numbered highways only and off of and out of town roads and residential ones. Conduct a "Driver's Courtesy" program. No use of cell phones (or any other high tech device) while driving by anyone, any age.	4/4/2014 1:05 PM
204	There needs to be a regular traffic light at Gould and Main Streets. This is a public safety issue because it's a school zone with a very high traffic volume at many times during the day. It's hard to pull out of Gould Street and traffic comes up an incline from the Aggie School as well as traffic turning into Gould from Main Street. It's rather dangerous !	4/4/2014 12:46 PM
205	Can't think of any as I think our police department are doing a good job.	4/4/2014 12:42 PM
206	Electrical moving roadside signs can be important, but they can also be a serious distraction to drivers who try to read them while operating a vehicle! (similar to texting) Thank your for this survey. It's a great idea!	4/4/2014 12:38 PM
207	Can't think of any. WPD has enough to do.	4/4/2014 12:22 PM
208	Drug program for teenagers.	4/4/2014 12:18 PM
209	This is seen quite frequently from Norwood to Walpole on 1A. Like previously said, too many people seem to be completely unaware of bike traffic rules and it's not the exercise cyclist with the good bikes. So many people with nothing reflective at night, wrong side of the road or just suddenly crossing both lanes, coming from either side and slanting toward you head on. How can so many people ride against traffic and never get reprimanded for it. Are they immigrants and their countries have opposite rules of the road?	4/4/2014 12:15 PM
210	Regarding traffic- slow down North St. to 1A. There should be no left turn at that intersection! The traffic back up from 3 p.m. through Walpole Center needs definite improvement.	4/4/2014 12:08 PM
211	School crossing guards don't stay there long enough. Fisher school crossing guard needs way more support. Traffic is crazy.	4/4/2014 12:07 PM
212	Can you have your pedestrian safety department consider having a sidewalk installed on Union Street to the Rte. 1 intersection? The current sidewalk stops about 1200m before Rte. 1. This is the main foot route people take from the mall to the 34E bus line. Additionally, it could use some street lights as people walk on the road's shoulder.	4/4/2014 12:04 PM
213	Stop anyone from opening a marijuana center.	4/4/2014 12:01 PM
214	Give every citizen a comment card at any police stop with officers name, badge #, etc. and have them mail in the card to really show what is going on. Have the cards mailed to the boss.	4/4/2014 11:53 AM
215	Keep doing what you're doing. It is very fine with me. Thank you.	4/4/2014 11:44 AM
216	Most residents do not have any contact/relationship with the police until they need them or done something wrong. I think it would be worth looking into utilizing Walpole Community Television and a you tube link on the town website to inform and connect with the public. ?what about a public safety app?	4/4/2014 11:43 AM
217	I think the men and women at the WPD do a good job. Although my concerns are because I live at the end of a dark dead end street, there have been no issues. Keep up the good work!	4/4/2014 11:39 AM
218	More active enforcement of handicap spots. Ticketing people who use spot who are not handicapped and have sticker. Sticker or plate is for someone else who is not in car.	4/4/2014 11:37 AM
219	Programs involved in educating high school children about drugs, alcohol, helping elderly. Maybe a buddy day. Kids can see how hard the police work and their vigilance important.	4/4/2014 11:33 AM
220	none.	4/3/2014 2:38 PM
221	Better traffic flow at peak times through town center.	4/3/2014 1:06 PM

CITIZEN PERCEPTION OF CRIME IN WALPOLE

222	Keep up the good work.	4/3/2014 12:41 PM
223	Appoint police officers to visit schools to make younger students aware of strangers and suspicious types in school areas.	4/3/2014 12:37 PM
224	Periodic scheduled and announced neighborhood walk thru by an officer. This would allow some interactions with residents.	4/3/2014 12:22 PM
225	Not informed enough to make judgment.	4/3/2014 12:08 PM
226	Push for NEW police station. Community Policing - increase presence in neighborhoods. Meet & greet citizens. Thankyou for all that you do!	4/3/2014 12:05 PM
227	More programs at High School level for education on drugs/self defense/safety	4/3/2014 11:40 AM
228	Further the effort to prevent bullying in schools.	4/3/2014 11:17 AM
229	Local tv access station - discussion of police issues as an awareness program; safety tips for homeowners; how citizens can help WPD do their job better.	4/3/2014 11:15 AM
230	Stop manning roadwork. This is a horrendous waste of time, talent & money. Their presence at details is an insult.	4/3/2014 11:10 AM
231	Lower speeds between Stop & Shop Main St to Norwood. Too many driving at above speed. And Plympton down past Aggie toward Walpole line I have to hear firetruck pass my street most school mornings.	4/3/2014 11:01 AM
232	telephone awareness regarding scams.	4/2/2014 4:13 PM
233	I would like to see name tags on police uniforms. I think that it would humanize and personalize the officers, who, at times, all look alike!	4/2/2014 4:00 PM
234	Two officers in each and every vehicle. Congratulations on the work you do.	4/2/2014 3:46 PM
235	Thanks for all you do to make our town a safe, happy, affordable place to live. I am proud to call Walpole my hometown due to your efforts to keep it a safe place to live! Keep up the good work!	4/2/2014 3:33 PM
236	Would like to see Walpole Police on twitter.	4/2/2014 1:49 PM
237	Overall, they do a great job. I would have rated them excellent if I witnessed more speed traps. The only one I ever witness is on Robbins Road which doesn't even seem to be a problem. I walk around this area a lot, and seldom see speed being monitored. Thanks for caring!	4/2/2014 1:43 PM
238	Prescription drug take back, sharps disposal program.	4/2/2014 1:33 PM
239	More time on kids. Read a book at library during police week to kids.	4/2/2014 1:30 PM
240	I know it's not a police problem. I would love to see something for kids 16-19. There is nothing for them to do except party. Getting criminal records for drunken offenses concerns me.	4/2/2014 1:25 PM
241	Saturday and Friday night party patrols.	4/2/2014 1:22 PM
242	Increase personnel. Excellent existing programs and service. Appropriate facility to meet current and future needs. Proper funding of budget to ensure ongoing training and equipment. State of the art tools to maximize enforcement efficiency.	4/2/2014 1:11 PM
243	Officers take turns policing schools so no guns, etc. get in or at least be there in case of trouble. Note on doors = Police on Duty. Work on bullying issues.	4/2/2014 12:59 PM
244	No comment.	4/2/2014 12:53 PM
245	I live at New Pond Village, have been here for 14 years and have always enjoyed living here and enjoy the Walpole Community. Most of my needs are taken care of where I live at New Pond Village.	4/2/2014 12:50 PM
246	South Walpole during stadium events.	4/2/2014 12:48 PM
247	Educate parents of issues in Walpole so citizens are not unaware (i.e. drinking/drugs at whs or higher crime in x section of town or during particular times	4/1/2014 2:29 PM
248	Start having a daily presence at the high school and on Carpenter/Bonnie. Monitor the kids /adults with drug issues and B&E's. Monitor speeding motorists who put everyone at risk. Monitor outsiders near route 1 business establishments.	3/31/2014 4:30 PM

CITIZEN PERCEPTION OF CRIME IN WALPOLE

249	Police Dept. needs new station - current facility is disgraceful.	3/31/2014 4:24 PM
250	More programs on underage drinking and drugs in the schools. More support in programs dealing with these issues. Big concern to me.	3/31/2014 4:21 PM
251	What is interesting is that I was not aware of any of the programs. We get the Hometown paper and it would be nice if a program was highlighted each week. It would also be great if there was a "Rules of the Road" program for bicycle/runner and walkers.	3/31/2014 4:18 PM
252	For some of officers to be trained in mental illness; and if possible for 1-2 officers to be assigned to families with a mental illness diagnosis for consistency sake when problems arise. I say 1-2 because officers are not always on duty so there is a backup person who is familiar with the situation.	3/31/2014 3:59 PM
253	Very tough not to show support for all the police do in Walpole. Areas where I give less support are ones where I see resource/budget constraints(i.e. foot patrols)	3/31/2014 3:50 PM
254	Very satisfied with the Walpole PD	3/31/2014 3:46 PM
255	Walpole Police are very pro-active regarding the needs of the citizens.	3/31/2014 1:30 PM
256	Imperative for Police & School to work together developing programs to protect kids w/o causing fear. Also Resource Officer important but more as a "contact" than "cop on lookout". Another concern is integrity of policy today - ethical.	3/31/2014 1:24 PM
257	It is important for young school children to be introduced to Officers in their school setting, and get to see them as persons like their Dad or Mom and not only seem them in bad situations.	3/31/2014 1:20 PM
258	Thinking about it - will let you know.	3/31/2014 1:10 PM
259	Get rid of radar units and take police out of their cars & put them on their feet, down town, jobsites, schools, events. Make Chief answer the phone when called.	3/31/2014 1:03 PM
260	A 2nd-tier paid police unit of middle age citizens who are fit, want to be involved, trained by police, badged, armed, and gone thru ext background checks. State needs to pay right people and that's police and firemen.	3/31/2014 12:56 PM
261	All Police Officers hired be veterans (local) if any left.	3/31/2014 12:43 PM
262	Traffic, speeding in and around high school. Parents speeding through Mass Ave at 40+ mph is a normal speed during peak hours.	3/31/2014 12:41 PM
263	Canine Program	3/31/2014 12:31 PM
264	Gun Turn-In Program At least 1 program w/kids that's highly publicized in Walpole Times: stenciling house numbers on street curbs, or "shop with a cop", pairing at risk kids with volunteer officers to shop at Christmas.	3/31/2014 12:24 PM
265	Auxiliary police unit for emergencies.	3/30/2014 3:07 PM
266	RAD type class for young girls.	3/30/2014 3:00 PM
267	Helping the homes or at least organize a group to cook and help the people in need.	3/30/2014 2:58 PM
268	Public awareness and discussions about the rules/rights the bicycles riders have. I commute to RI by bike 2-3x's a week. Walpole is the most dangerous and verbally abusive town I bike in.	3/30/2014 2:55 PM
269	Whenever I have called or needed assistance, I feel the WPD is very responsive.	3/30/2014 2:50 PM
270	A canine unit for lost people, thieves, drugs.	3/30/2014 2:47 PM
271	Thanks for all you do!	3/30/2014 2:42 PM
272	I would like to see the DARE program back in the elementary schools.	3/30/2014 2:38 PM
273	Aggressive speed limit enforcement on a permanent basis, especially Fisher St. Litter thrown from vehicles should be fined.	3/30/2014 2:20 PM
274	Believe police should be more visable at common events.	3/30/2014 2:16 PM
275	Anything that encourages high school students to consider careers as police officers and firefighters.	3/30/2014 1:58 PM
276	Keeping an eye on Kendall Street. People do not observe any speed limit and drive dangerously. Too much traffic for such a small street. Not safe.	3/30/2014 1:48 PM

CITIZEN PERCEPTION OF CRIME IN WALPOLE

277	We just moved to Walpole 4/2013. As of 3/26/14 we have been pleaded with Town, neighbors and Police Department	3/30/2014 1:44 PM
278	Using the top floor in the South Walpole Fire Station for the teen ages to gather.	3/29/2014 2:55 PM
279	None we can think of. Many good things done by Walpole PD.	3/29/2014 2:52 PM
280	I would like to have police union stop calling my house looking for donations.	3/29/2014 2:49 PM
281	Never knew any/hardly of these existed... would like to see some more information on these programs.	3/29/2014 2:47 PM
282	It appears that the Walpole Police have a lot of initiatives on their plate already. They need to evaluate those programs that receive the most support/interest and update where needed. Because I have young children I think it is important for the school system/police to talk with kids about social medial and cell phone safety.	3/29/2014 2:44 PM
283	Education that it's illegal to pass on right at Norfolk Aggie School-Fisher St. intersection. Monitor fire lane in Stop & Shop, Rocky's Plaza and ticket people parked in them!	3/29/2014 2:40 PM
284	Start not charging for incident report copies for the victim!	3/29/2014 2:33 PM
285	I understand why the address of a serious crime scene is printed on the police log in the newspaper but why print the address when there's a minor incident such as harassing phone call, domestic dispute, etc.? It serves no purpose. In fact, I would hesitate to call the police in such cases if I thought I'd have to face neighbors' possible questioning.	3/29/2014 2:30 PM
286	Domestic violence.	3/29/2014 2:26 PM
287	I would support anything the department thinks would make things better.	3/29/2014 2:15 PM
288	Keep the schools going with drug and ETOH awareness programs. Use bright vests when doing traffic duty, especially when standing in the shade! So many times officers stand in the shade to direct traffic and the black outfits/uniforms make it hard to see.	3/29/2014 1:58 PM
289	The WPD has always been very efficient and available when needed. Please continue to keep up the excellent work. A resident for over 65 years!	3/29/2014 1:47 PM
290	Walk and talk in neighborhoods in good weather when people are out.	3/29/2014 1:42 PM
291	If you put out the signs saying no traffic to Gillette Stadium on Water Street, I would like to see it started every time not just once in awhile.	3/29/2014 1:39 PM
292	Police Athletic League (PAL)	3/29/2014 1:37 PM
293	Overall I think they do a great job. Would like to see plain clothes police standing at intersections issuing tickets for texting.	3/29/2014 1:30 PM
294	Cops Corner - awesome!	3/29/2014 1:26 PM
295	Publish annual list of ten worst locations for number of traffic accidents.	3/28/2014 1:29 PM
296	Considering the lack of an adequate police station and limited budget, Walpole Police do a wonderful job for our community!	3/28/2014 1:25 PM
297	I would like to see the cops acting more like "humans" than a programmed group of military robots.	3/28/2014 1:12 PM
298	I appreciate the binder re: Locations of sex offenders too.	3/28/2014 1:09 PM
299	Need guards, but not police guards.	3/28/2014 1:07 PM
300	Just a comment - thank you for your prompt response to family emergencies after 911 calls - thank you.	3/28/2014 1:04 PM
301	As a parent of a student at the Daniel Feeney preschool, I would love for the police department to make a point to visit each class to talk about their role and how children can trust officers, public safety, what to do, etc. My son loved the visit they had this year from a firefighter and I was amazed by how much he learned about what to do in the event of a fire, however that visit was from a Norwood firefighter/parent and I think our own town employees could make and effort to be involved with the school in this manner. Thank you for all that you do.	3/28/2014 12:54 PM
302	Self defense for seniors. Speed trailer should produce printouts to facilitate placement of units.	3/28/2014 12:48 PM
303	Police explorer programs for teens.	3/28/2014 12:38 PM
304	Ticket more illegal parking on streets during winter over nights.	3/28/2014 12:31 PM

CITIZEN PERCEPTION OF CRIME IN WALPOLE

305	Discourage the sale of drug paraphernalia such as rolling papers in town convenience stores. Also, work with town to stop convenience stores morphing into package stores by allowing the stores to sell beer and wine.	3/28/2014 12:27 PM
306	When responding - many residents have opinion that officers are looking to create a larger problem!	3/28/2014 12:23 PM
307	We need a new police station!	3/28/2014 12:16 PM
308	I think we need the police to get to the kids now, talk to them, etc. Before we lose them to drugs. Way too many young kids in Walpole are using drugs.	3/28/2014 12:11 PM
309	Cops and kids program. Summer camp. Kids give back to the community several hours a day and then rewarded with field trips either each day (afternoon) or 1 trip at end of week.	3/28/2014 12:08 PM
310	Something similar to the Citizen Police for younger children and teenagers. Maybe a club where they have fun with the police, while being educated about life's dangers.	3/28/2014 12:05 PM
311	Safety reviews of intersections & roads for proper signage or traffic lights at dangerous spots.	3/27/2014 1:56 PM
312	Stop drugs/alcohol in schools. It's happening in every school and needs to stop. Time to get serious.	3/27/2014 1:46 PM
313	Don't know enough about Programs 51-60.	3/27/2014 1:34 PM
314	School Security; Keeping up w/teens on alcohol & drug use ruining or taking lives. Talk about peer pressure and courage to say "no."	3/27/2014 1:31 PM
315	Annual community reach-jout with updates on the year from dept and as an opportunity to receive feedback.	3/21/2014 2:24 PM
316	Rte 1 Coney St, significant speeding. Need signs and/or speed bumps, as they speed by in heavily congested area & throw trash and alcohol bottle empties out windows.	3/21/2014 2:08 PM
317	Great involvement in community, Just keep involvement active and remind citizens to come forward with concerns and praise.	3/21/2014 2:05 PM
318	Center could use a beautification committee. Very dilapidated and not visually appealing. Need flower boxes, trees, lampposts, etc.	3/21/2014 1:57 PM
319	Drug treatment.	3/21/2014 1:53 PM
320	Any interaction we have had with police has been professional and effective. Apply for fed or state grants to put cameras on Route 1 to stop speeding and running red lights. More BOP's in good weather out where people walk to provide greater sense of security for those walking for exercise.	3/21/2014 1:52 PM
321	WPD is very responsive, but need more "friendly" engagement with everyday people. WPD deserve respect, but need to proactively reach out to community to protect and serve. It is not an adversarial relationship.	3/21/2014 1:50 PM
322	Training the dispatcher in better customer service. The female older woman is not friendly at all. Improve their reputation as slackers who sit around at the coffee shop and take OT assignments to direct traffic but sit talking to the workmen or on cell phones. Improve their traffic control skills.	3/21/2014 1:47 PM
323	Children Safety Cyber Bullying Identity Theft	3/21/2014 1:39 PM
324	There should be a police presence after stadium events in South Walpole !	3/21/2014 1:38 PM
325	Programs at Station or Rec Dept for teens & parents to participate in together (drugs, alcohol, staying out of trouble)	3/21/2014 1:32 PM
326	Program that combats illegal/inappropriate Rx sales or distribution. Rx pushers are relentless - phone calls pushing sales, as well as via email and text. They prey on people w/addiction.	3/21/2014 1:29 PM
327	Off duty policemen and women should be able to decide if they would like more leisure time to interact with the public. Maybe have a residents and police softball team together or soccer together.	3/21/2014 1:29 PM
328	Obviously I am unaware of 5 of these programs so it appears more outreach would be a good idea. Thanks for your service!	3/21/2014 1:27 PM
329	Teen programs	3/21/2014 1:13 PM
330	A police officer was very helpful when my battery died at Dunkin Donuts near Bristol Square. He contacted Chris's on Route 1A to come and assist me. It was very much appreciated.	3/21/2014 1:03 PM
331	Toys for Tots.	3/21/2014 12:57 PM

CITIZEN PERCEPTION OF CRIME IN WALPOLE

332	Try not to be Nazi's. Hitler did the same crap that you all do sometimes and look what happened.	3/21/2014 12:53 PM
333	Unfamiliar with most of these programs. My children are grown and we now have little involvement in the community activities/programs.	3/21/2014 12:50 PM
334	Run good public service announcements, double the fines/points when it's a holiday (long weekend) etc.	3/21/2014 12:41 PM
335	Can not answer the above question as I would have no idea what is going on. Sorry.	3/21/2014 12:30 PM
336	Senior awareness for phone and internet scams.	3/21/2014 12:15 PM
337	Create more intervention in middle schools and high schools for drugs/alcohol with effects on brain. Speeding. Mandatory high school info on drugs. Especially new marijuana that is artificially made and affects.	3/21/2014 12:10 PM
338	I believe the Police Dept. does a very good job and am confident in its abilities. I do tend to favor programs that contribute to more positive interaction between officers and citizens.	3/19/2014 3:43 PM
339	Flagmen-get rid of wasteful police details.	3/19/2014 3:31 PM
340	Hangup- cellphone/texting problems	3/19/2014 3:05 PM
341	I can't think of anything right now, I like the Walpole Police + feel safe + feel like I can call them anytime + they will be there for me!	3/19/2014 2:58 PM
342	Hire more officers. Town is big! Police do an outstanding job despite small force.	3/19/2014 2:48 PM
343	Continue with programs from elementary level and up. Great programs!	3/19/2014 2:30 PM
344	Aren't they busy enough? I've never encountered a Walpole officer who was not courteous and patient. The detectives were just great after the robbery and in the past, fire department and police come quickly when I called 911.	3/19/2014 2:13 PM
345	Find a better way to control traffic flow on Patriots' game days and nights rather than strangling South Walpole.	3/19/2014 2:12 PM
346	None.	3/19/2014 2:02 PM
347	Enforce car speeding at the intersection of Winter and Summer Streets. It has become a traffic nightmare for children trying to get to school safely. My 6th grader has to walk Summer Street from Nottingham Way to Eldor Drive. No sidewalks, snow and ice, traffic busy.	3/19/2014 2:01 PM
348	RAD - I know it's getting started up again soon. Really important for kids and adults to know about bullying and how to protect and prevent it.	3/19/2014 1:57 PM
349	Internet scams and fraud	3/19/2014 1:52 PM
350	More presence on streets at dangerous intersections to insure that speed limits and stopping at stop signs are followed by all drivers.	3/19/2014 1:51 PM
351	1/4 of people/children are in a domestic violence/abusive situation/living condition. Abuse is not only physical, but verbal, emotional & psychological. Education is needed to stop this behavior.	3/19/2014 1:45 PM
352	Thank you for keeping Walpole safe!	3/19/2014 1:30 PM
353	We live at New Pond Village. Feel very confident that if needed, the Walpole Police would be available as needed as individuals or as a community here at New Pond Village. My contact with police has been pleasant. Officers courteous and professional always !	3/19/2014 1:05 PM
354	I would like Flagmen (women) at construction, street repairs. Other states do it - even on highways! Every cop I see is talking to work guys, looking down holes, playing with cellphones. Barely looking at traffic!! No need for that expense to be forstered on public	3/19/2014 12:56 PM
355	We need to make sure the homegrowers for prescription marijuana are not growing for distribution. Big concern.	3/19/2014 12:51 PM
356	Provide information to drug addicts (heavy drugs of addiction, heroin, coke, meth) as to where they can get help. They are addicts. Stop arresting kids smoking pot. Don't put them in jail for such minor offense and give them a record. Stop the drug dealers invading our town (heroin).	3/19/2014 12:48 PM
357	Thank you. We appreciate your hard work. I checked out the website and all the programs are commendable. Would love to see some more women on the force and in the higher ranks. Also: Would love a dog park in Walpole.	3/19/2014 12:40 PM
358	Women's safety program	3/19/2014 12:36 PM

CITIZEN PERCEPTION OF CRIME IN WALPOLE

359	I don't have direct contact with the above programs but I think the Walpole Police are wonderful and responsive. Keep up the good work! A special thank you to the Chief because he sets the tone.	3/19/2014 12:29 PM
360	Tractor trailer through traffic should be limited to state highways (Rte 1, 1A, 27). There is no reason for Common Street to be main thoroughfare for truck traffic.	3/14/2014 1:17 PM
361	Officers need to pay attention to traffic not contractors or each other or on cell phones at details. Wear white gloves for visibility. Also at night, use night setting on strobes - officer outside cruiser in dark uniform - not visible. Officer safety training needs refresher.	3/14/2014 1:13 PM
362	I think our police department does an outstanding job and I think it is a disgrace to have our officers in this outdated building.	3/14/2014 1:05 PM
363	Protection of being scammed.	3/14/2014 1:01 PM
364	School bullying programs that actually are effective.	3/14/2014 12:51 PM
365	I assume that this is done in the Drug and Alcohol Coalition but I think it should be a priority to teach kids about dangers of prescription drugs, i.e. Percocet and the like, that could further lead to heroin epidemic like in Norwood. Go into the various schools and really warn kids about those types of drugs.	3/14/2014 12:48 PM
366	New driver safety classes.	3/14/2014 12:28 PM
367	Just a concern: Where Longview Farm/Home for Little Wanderers is a state organization, I feel the state should be responsible for permanent security on premises. Our officers respond to too many problems there, and I feel it is wrong to put them in jeopardy for consistent state problems that occur there.	3/14/2014 12:25 PM
368	More pedestrian crossing signs. Police at Bubbling Brook in the morning to help direct traffic?	3/14/2014 12:19 PM
369	New police station.	3/12/2014 3:54 PM
370	Presence on Twitter.	3/12/2014 3:37 PM
371	I am not against any of the programs- just don't know enough about them to have a valid opinion of them.	3/12/2014 3:06 PM
372	More advertising about programs. Working with town youths like playing sports or helping youths with homework. Officers to do volunteer work, i.e. helping the elderly cross the street.	3/12/2014 2:39 PM
373	Coffee with cops is a great way to get to know the police in Walpole. Find out what groups they are really interested in. We want to be the friendly town,.	3/12/2014 2:10 PM
374	Correction vehicles speed.	3/12/2014 1:53 PM
375	I don't read Walpole Times, such a poor representative on community, so I have not had a chance to see the Cops Corner article.	3/12/2014 1:50 PM
376	Please put a traffic light on Mylod Street and Route 1A.	3/12/2014 1:44 PM
377	All is well !	3/12/2014 1:14 PM
378	These programs need more of an explanation like Citizen Police Academy?? Coffee with Cops Program??	3/12/2014 1:10 PM
379	Add crossing guards so that more than one neighborhood can walk to school. The bus is only free for those under a mile...but it is not safe to walk! BTW, your department deserves a new building!	3/12/2014 1:07 PM
380	How to recognize teenagers heading in the wrong direction (gangs) in life. Single females - address pros and cons and self defense. Have seminars at the library to let the community know the positive actions in Walpole.	3/12/2014 12:59 PM
381	Crossing guards could help out a little more when traffic is heavy on 1A in the morning. I know it's not really their job, but sometimes it's impossible to get out of a side street. I would also like to see more speed controls on minor streets.	3/12/2014 12:44 PM
382	I feel the town of Walpole is safer because of the police. I have no fear living in town. I am a senior citizen and would like to see a new station.	3/12/2014 12:38 PM
383	In reference to the programs above - I am a senior with several children long grown up, and many grandchildren. Unfortunately none of them lives in Walpole (or even in state) so I have no experience with most of your programs. Therefore, I don't feel competent to judge them. They look very good - appropriate and helpful.	3/12/2014 12:32 PM
384	This survey paid for by the citizens of Walpole is a thinly veiled effort by Chief Stillman to substantiate increased funding (and taxes) for the police department. The responses are not statistically valid. Good policing is based upon science, strong management, and hard work of officers - not upon a biased unnecessary survey.	3/12/2014 12:22 PM

CITIZEN PERCEPTION OF CRIME IN WALPOLE

385	N/A	3/12/2014 12:08 PM
386	I put question marks by programs that I'm unfamiliar with.	3/12/2014 12:06 PM
387	Just remember you were a kid once. Kids make mistakes. Don't crucify them, be a support to help them. Second time you can crucify them. But kids are our future and they need to trust police not distrust them.	3/12/2014 12:03 PM
388	Put police at 4 way stop sign between Union and Pleasant. People piggy back cars that stop and follow with them through the stop sign without stopping.	3/12/2014 11:51 AM
389	Many of the programs listed, I did not know of. Maybe a little more advertising would make them more effective.	3/12/2014 11:46 AM
390	When the department states they are going to put a speed counter in my neighborhood and does not, I wish they would follow through and refusing to put speed signs on my street. It is very narrow and we have a lot of small kids.	3/7/2014 3:20 PM
391	Recently a WPD officer showed us the proper installation of an infant car seat for our grandson. Much appreciated!	3/7/2014 3:05 PM
392	More presence in the center of town and in the post office area. Why are there often 4 or 5 cruisers parked in the police lot?	3/7/2014 3:01 PM
393	Danger of pot smoking and driving and who will monitor those driving under the influence?	3/7/2014 2:48 PM
394	John does a good column.	3/7/2014 1:43 PM
395	More officers on foot. More cruiser coverage on side streets. In a nutshell, more interaction between police and citizens.	3/7/2014 1:34 PM
396	More foot patrol in center of town. Thank you for the meal you put on for the seniors at Finnegan's Wake and for the monetary donations.	3/7/2014 1:29 PM
397	Fortunately we have not needed the services of the police. Knowing several of the officers, I know how caring they are.	3/7/2014 1:17 PM
398	The police department does an excellent job for our town.	3/7/2014 1:14 PM
399	Neighborhood watch program	3/7/2014 1:11 PM
400	Anything where police officers would interact with citizens (other than minors and elders - these seem to be covered well). And additional item- some way for residents to communicate concerns to the police department (Not emergency situations, of course, but other concerns.)	3/7/2014 1:07 PM
401	Use signboards on Route 1A	3/7/2014 1:03 PM
402	I would be very supportive of any and all programs that are, or will be, in place with the police. How about a session in the senior center and retirement communities in regards to personal safety and defense. The very young and the very old are easy pickings for aggressive and or violent people	3/7/2014 12:59 PM
403	Could you remind people via the COPS Corner about the hazards of texting, eating or applying makeup while driving? Just an accident waiting to happen.	3/7/2014 12:50 PM
404	Trucks speeding on South Street going back and forth from P.J. Hayes Farm. There should be more stop signs on South Street.	3/7/2014 12:45 PM
405	Anti texting and driving.	3/7/2014 12:41 PM
406	Controls for unregistered vehicles	3/7/2014 12:28 PM
407	Can't think of any offhand. Very satisfied with the work you do with the resources you have !!	3/7/2014 12:21 PM
408	Speed monitoring in streets used as a shortcut by motorists	3/7/2014 12:11 PM
409	Must convince parents and youth of consequences regarding drugs and alcohol. Education - communication - input from youths, initiatives like this survey. I don't like to see WPD texting, etc. while on traffic duty.	3/7/2014 11:45 AM
410	We need a new police station. I believe we should have fought harder to achieve this building before building the library. Thank you to all for your great job protecting my family and all residents of Walpole.	3/7/2014 11:40 AM
411	The daily phone call/check in with elders at home alone. etc.	3/7/2014 11:26 AM
412	Police visibility in general.	3/7/2014 11:23 AM

CITIZEN PERCEPTION OF CRIME IN WALPOLE

413	The police were very attentive when I stopped at the station and answered my questions politely.	3/7/2014 11:22 AM
414	I see all of this as "window dressing" for increasing size of police dept. at the expense of tax payers., Police officers serving on "details" should NOT be on cell phones.	3/7/2014 10:53 AM
415	Fine the way it is. Go as needed, learn more . See problem, take concern.	3/7/2014 10:34 AM
416	The above covered it all.	3/7/2014 10:30 AM
417	More presence @WHS events. Elderly checkins for Housing Authority locations. Invite students to police station "meet & greet" on 1/2 days of school - with incentive to do so.	3/6/2014 1:32 PM
418	You're doing a good job. Please keep us safe. Thank you,.	3/6/2014 1:29 PM
419	I would support/vote for a new police station. It's more than overdue.	3/6/2014 1:26 PM
420	The department is doing their job to the best of my knowledge. No recommendations.	3/6/2014 1:01 PM
421	At age 87 I am no longer an "active" citizen. I do feel that the police do the best job possible.	3/6/2014 12:58 PM
422	We need to teach runners & walkers proper use of roadways. Running 2 or 3 abreast, on a narrow road, causes problems. Maybe single file would work better	3/6/2014 12:39 PM
423	Have only lived here one year. Am handicapped.	3/6/2014 12:30 PM
424	Gun training Firearms Safety Class	3/6/2014 12:27 PM
425	Where to report a known drug dealer and have action taken,.	3/6/2014 12:25 PM
426	Police detail in all schools. This could be paid for by parents. Not satisfied with present safety measures of schools.	3/6/2014 11:46 AM
427	Just keep up the good work	3/6/2014 11:37 AM
428	All programs listed above identify areas where initiatives are needed either as increased effort or totally new initiative to others where activity/results may indicate a fresh approach may realize improvement.	3/6/2014 11:33 AM
429	Speed on Washington St between Rt 27 and Common St.	3/6/2014 11:28 AM
430	Increase speed surveillance on Fisher St	3/6/2014 11:22 AM
431	Be prepared to testify against 40B developments in Walpole due to increased crime and other social ills associated with other 40Bs already in Walpole & other towns.	3/6/2014 11:12 AM
432	Overall good job w/resources given them. Too much on higher up salaries to do nothing. Tax dollars are spent on things not needed (\$25 million on high school). Do without frills - never paid for sports like we do now. Need to give old computers to ones who can afford them.	3/6/2014 11:00 AM
433	Illegal parking is townwide - sidewalks, wrong direction, and overnight. 2-hour parking limit in h.s. area is a joke. I have called P.D. and rarely get action	3/6/2014 10:49 AM
434	Help connect Walpole community with safe driving/driving skill courses. Maybe a campaign to use blinkers and signal turns properly?	3/5/2014 11:31 AM

443	Please slow traffic on streets such as Common & High Streets. Excellent job!	3/4/2014 3:43 PM

CITIZEN PERCEPTION OF CRIME IN WALPOLE

444	Stop door to door solicitors (religious groups are constant). Keeping big trucks from cutting through neighborhoods to bypass low bridges on West St. Slow down aggressive Assurd Collision trucks.	3/4/2014 11:41 AM
445	Sometimes I feel there could be more of a downtown presence in terms of traffic. Facilitating traffic from reducing speeding cars in the center, etc. I feel that at crucial traffic hours and on Saturdays, pedestrians are at higher risk.	3/4/2014 11:37 AM
446	Some after school programs to keep kids off their game systems. Something fun, active, defense classes, etc.	3/4/2014 11:20 AM
447	More school programs. I have been hearing a lot of drug and alcohol use at the high school.	3/4/2014 11:07 AM
448	None -- just keep existing ones.	3/4/2014 10:22 AM
449	Can't think of anything right now.	3/4/2014 10:19 AM
450	I would like to know names of police officers to match faces. So many new officers and we have no idea who they are. Maybe put pictures in the program when you have your fund raiser nights - just an idea. Thanks.	3/3/2014 4:31 PM
451	Nice to see a police officer stop and take a walk around the West Street fields. I'm thankful for the work done during Country Fest. I think the environment is improving with heavy police patrols. I don't think Water St. needs to be closed during Patriots games. Keep up the good work.	3/3/2014 4:25 PM
452	Anything the police department feels necessary.	3/3/2014 4:21 PM
453	Walpole police need to make sure schools and businesses are safe.	3/3/2014 4:17 PM
454	Crack down on speeding cars. Illegal parking in front of people's driveways. Trucks going on East Street too fast.	3/3/2014 4:01 PM
455	Be careful who you hire as policemen. Truant officer at schools checking on absentees. X-ing guards - do not involve police.	3/3/2014 3:57 PM
456	Get the message out to people who walk after dark to wear reflective clothing. Tell people in crosswalks to stop and look. Drivers need to be more aware - especially at train station.	3/3/2014 3:53 PM
457	Training on CPR, protection of yourself, protection of your home classes.	3/3/2014 3:43 PM
458	adherence to existing laws.	3/3/2014 3:32 PM
459	I am a resident of New Pond Village. I do not have a car and walk only at daytime on New Pond premises. I would like to see a stop light at Bullard Street and Ret 1A.- a dangerous intersection.	3/3/2014 3:29 PM
460	I would like to see at least a quarterly citizens meeting with police to let the public know more about their concerns and information on what citizens should be concerned about.	3/3/2014 2:45 PM
461	Gun Safety	2/26/2014 4:01 PM
462	Neighborhood watch. Teenage mentoring for students endeavoring to study law enforcement,	2/26/2014 3:41 PM
463	You're doing a wonderful job, keep up the good work!	2/26/2014 3:31 PM
464	More drug and alcohol programs for kids.	2/26/2014 3:20 PM
465	I don't know enough about the programs above to comment. I think the Walpole PD is well run and highly professional in the way they conduct themselves. I would like to see them be a little more relaxed and friendly as they go about their business throughout the town, i.e., smile, say hello, good morning, etc.	2/24/2014 11:20 AM
466	None. Leave us the hell alone! Go after the bad guys and the reckless drivers, enough with the speed traps (we refer to those cops as the donut eaters).	2/24/2014 11:04 AM
467	To have more speed traps, as I've seen too many speeding, as well as not following the rules of the road (i.e. going thru red lights, not using turn signals, not stopping for pedestrians. I've seen this so many times, as a pedestrian (walking, as well as waiting at crosswalks).	2/24/2014 10:47 AM
468	I think our Police Dept is doing an excellent job with the force size it has. After being in the Citizen Police Academy I have been much more aware of how much they accomplish.	2/24/2014 10:05 AM
469	Gun/firearms safety, support of ownership and use with invitation to firing range.	2/24/2014 9:57 AM
470	Joggers and runners on narrow winding roads not realizing danger.	2/24/2014 9:45 AM
471	Walpole Police are rarely out of their cruisers out in streets walking and/or at public events. I have never seen them on my street just being around.	2/24/2014 9:29 AM

CITIZEN PERCEPTION OF CRIME IN WALPOLE

472	Driving re-education class for seniors.	2/24/2014 9:21 AM
473	Build a new safety building	2/24/2014 9:16 AM
474	Get a new station! Our police deserve at least as much respect as our library staff, so get them a facility to match their importance to our community.	2/21/2014 3:44 PM
475	I think you peopld do a good job. I am sure there are initiatives that could be looked into, but this questionnaire already shows that you are on top of the situation	2/21/2014 3:36 PM
476	These are all worthwhile programs. Can we afford all of them?	2/21/2014 3:28 PM
477	Pay more attention to traffic flow while on construction sites. They should direct not watch or talk with the construction workers. I know its a boring detail but it also is boring sitting in traffic.	2/21/2014 3:19 PM
478	Traffic enforcement on residential streets. Continued use of speed signboards and officers with radar on high volume streets.	2/21/2014 2:54 PM
479	cyber bulling/cyber crime	2/21/2014 2:48 PM
480	Just continue with the programs they have now.	2/21/2014 2:30 PM
481	We are fortunate to have a police force that goes above and beyond in their service to our town. I cannot think of anything else that could be implemented. They do so much already.	2/20/2014 3:03 PM
482	It should be mandatory that all high school girls take the Rape Aggression Defense Classes before graduating. More programs for all seniors/center, both active seniors and handicap.	2/20/2014 2:56 PM
483	Use of traffic cameras. Foot patrols in center of town, especially at traffic lights.	2/20/2014 2:53 PM
484	A new police and fire station on South Street	2/20/2014 2:50 PM
485	Activities with teenagers, so they would have better relation with police and better understanding of the service.	2/20/2014 2:38 PM
486	I am unfamiliar with some of these programs so cannot weigh in as to their relative worthiness.	2/20/2014 2:09 PM
487	More online emails alerting us to increase of break-ins in certain areas or road closing. I think Norwell has this. More avenues for education - how can community decrease crime, how can I protect my house, et., - articles, emails, reminders, marketing.	2/20/2014 2:03 PM
488	Twitter; Homeland Security Drills; School lockdown Drills.	2/20/2014 1:57 PM
489	The police officer that has pink handcuffs can use them on me anytime!	2/20/2014 1:49 PM
490	I hope not to have a medical marijuana facility in Walpole. A 'shadowing' a policeman/woman program for residents, particularly teenagers. An anonymous call in line for your and parents to inquire and receive into on the legality of certain situations.	2/20/2014 1:39 PM
491	Can't think right now.	2/20/2014 1:30 PM
492	I would like to see WPD start a K-9 program. Could be a dual process dog, for patrol back-up. I know this is not cheap, but it can be a real asset to dept and the public. Give it some serious thought.	2/20/2014 1:24 PM
493	House checks while on vacation.	2/20/2014 1:16 PM
494	If possible, get out and walk the neighborhoods. This would build a stronger sense of community and support for our WPD.	2/20/2014 1:10 PM
495	I believe everything is pretty much covered in this survey. Thanks for caring.	2/20/2014 1:07 PM
496	It would appear all items shown receive support and difficult to limit to five important to me	2/20/2014 12:54 PM
497	I truly believe as time goes, we have to devise better more efficient way to serve our towns. Its becoming apparent taxes are not keeping up with our costs. Police, Fire, and Schools, if working with other towns, could save one officer's salary - it would be step in right direction	2/20/2014 12:19 PM
498	Police do a good job on programs.	2/20/2014 12:10 PM
499	Better enforcement of cell phone use while driving. Overall opinion: you guys/ladies do great job.	2/20/2014 12:08 PM

CITIZEN PERCEPTION OF CRIME IN WALPOLE

500	Question for Cops Corner: At the intersection of High Plain and Rte. 1, for the cars on High Plain traveling toward Sharon, who has the right of way once Rte 1 is crossed? There are 3 lanes at the light with no lane designation on the road or a posted sign. Yet on the other side (near Applebees) there appears to be only one lane as the lane marking for 2 lanes begins near D&D.	2/19/2014 3:48 PM
501	An employee at the Public Works, Andrew, is the best in the department. Always listens to you and does what he can.	2/19/2014 3:36 PM
502	Officer White's Walpole Times articles are excellent. I think the biggest social problem today is the full spectrum of substance abuse whether driving or not. Parent's toleration of this is unbelievable. Look at the legalization of marijuana passing local vote. I guess things are so tough that we have to encourage getting high despite the cost in dollars and health care and lives.	2/19/2014 3:33 PM
503	Name badges on all officers. Pictures and bios of officers on website.	2/19/2014 3:27 PM
504	More patrols on side streets.	2/18/2014 8:46 PM
505	Child safety in regard to sex abuse. A training for children in regard to being approached by strangers.	2/18/2014 2:07 PM
506	Good job overall.	2/18/2014 1:30 PM
507	Need to be in community more. Be open, friendly, non-threatening. Opens communication and encourages people to come forth with concerns.	2/18/2014 1:28 PM
508	Foot patrols Walpole Center to reduce speeding and running red lights.	2/18/2014 1:24 PM
509	A presence in Town Hall during controversial public hearings and meetings.	2/18/2014 1:21 PM
510	Keep doing what you are doing; Keep Town of Walpole safe. Thanks	2/18/2014 1:17 PM
511	WPD provides a wonderful service. They need a new police & fire dept which I 100% support.	2/18/2014 1:13 PM
512	Walpole Police Officers serve the community proud. They do a fine job.	2/18/2014 1:10 PM
513	Increase in neighborhood patrols.	2/18/2014 1:07 PM
514	Everything ok for now. I think Walpole Police are very diligent and jump on anything criminal, and concerned for anyone needing help.	2/18/2014 1:04 PM
515	Evening sports leagues for teens/young adults.	2/18/2014 12:54 PM
516	Curbing aggressive drivers - education and enforcement of.	2/18/2014 12:50 PM
517	More frequent neighborhood ride-arounds for visibility; Motorcycle officer needs to be a little more interactive rather than barking "license/registration". Multiple police officers in my family were surprised when I told them of the stop ... I just said he was having a BAD day.	2/18/2014 12:39 PM
518	Days for children to get a tour of the police department and meet the police.	2/18/2014 12:28 PM
519	Thank you for your continued service and dedication to our town.	2/18/2014 12:20 PM
520	Neighborhood patrols through developments; Awareness that Police are in area (drive thru).	2/18/2014 12:15 PM
521	Better attitude, treat law-abiding citizens with respect, and stop stalking innocent townspeople. Walpole is like living in a police state. Consider why you are still in the old police station? Is there a message there? Too many issues as an educated professional person than I care to comment on. I will never vote for a new station. Also, instead of working with the youth on responsibility, they approach the youth with aggressiveness and exaggeration. Also, residents are pulled over in roadways to make an example of them.	2/18/2014 12:02 PM
522	You need a "check off" for "don't know". We have no experience with most of these items	2/18/2014 11:55 AM
523	I'd like to see some surveillance or traffic enforcement near the 204 Washington Restaurant, Parish Center in East Walpole. In the evenings that is a busy pedestrian area and I often see cars not stopping for pedestrians, or cars going thru there at an unsafe speed. I'm amazed no one has gotten hurt there. Thanks for doing this survey.	2/18/2014 11:52 AM
524	Sanction dog owners whose pets are reported as continuously barking.	2/18/2014 11:24 AM
525	Continued excellent appearance of police vehicles.	2/18/2014 11:15 AM
526	I am not very familiar with some of these programs, citizen police academy, school mentor program, etc	2/18/2014 11:11 AM

CITIZEN PERCEPTION OF CRIME IN WALPOLE

527	An open invite to residents to attend a meeting where PD describes in detail how they track down those who commit crimes; Also touch upon what property owners can do to minimize chance of becoming a victim.	2/18/2014 10:51 AM
528	Walpole needs very strongly a new Police & Fire Station. This should be #1 priority for Walpole.	2/18/2014 9:58 AM
529	Anti-bully program - including using technology to bully-middle through high school.	2/18/2014 9:29 AM
530	Officers back on "the beat" going in & out of businesses, talking to people, outside coffee meetings - especially kids. Instill respect & trust like we once had. Police too much like a military enforcement group.	2/18/2014 9:24 AM
531	I believe programs encouraging free will and the promotion of this along with actual growth for all children and youth is still in need of stronger support.	2/18/2014 9:19 AM
532	Better details of all infractions, not just "Route 1 larceny" should be publicized weekly; when it's in Walpole Weekly and Times, it always seems to be "edited" and watered down. Be transparent, open, and honest.	2/13/2014 12:47 PM
533	More community involvement esp with young children, and keep involved thru high school; Control or wipe out drugs, alcohol, or other problems like bullying; Work with school more often, encourage anonymous reporting - plate #s, addresses, etc	2/13/2014 12:39 PM
534	More after-school programs for kids.	2/13/2014 12:15 PM
535	Honor Guard as long as no o.t. is involved; Anonymous Tip Line; Ways for Safety Depts to make revenues and keep in their own fund.	2/13/2014 11:57 AM
536	Thank you for all you do! We would support a new police/fire station.	2/12/2014 4:10 PM
537	Basic Police duties - monitor, protect, intervention according to law. I don't see you as social workers; while being visible is good as a deterring mechanism, some of the above items seem counterproductive.	2/12/2014 4:07 PM
538	Feel very safe in this Town. Happy to see the department taking the extra effort in making this happen.	2/12/2014 4:04 PM
539	I am not at all familiar with most of the programs listed above. So very hard to make an accurate appraisal for support.	2/12/2014 3:58 PM
540	Fighting crime and stop ticketing cars at the high school on teacher/parent night (that's really low). Stop driving around in snow storms looking to ticket cars parked on streets (really low). Is this all your interested in? Slamming your own town's residents?	2/12/2014 3:54 PM
541	Domestic violence education and outreach for public as well as for officers responding to calls. Outreach and support for Walpole families impacted by mental health or substance abuse. From my experience, some of the officers need training in responding to these situations in a compassionate and calm way.	2/12/2014 3:51 PM
542	I think you should set up a meet and greet Walpole Police Officers. Pick one week every night for the citizens to meet you. I could not even tell you who is on the force. I could not tell you when is the last time I saw a police officer on my street.	2/12/2014 3:44 PM
543	I would like to see some sort of training/activity like RAD except for kids not just adults. Also more of a presence on 1/2 days especially on Main St. Kids loitering in front of businesses for hours upon hours.	2/12/2014 3:39 PM
544	I am not well informed on these programs.	2/12/2014 3:35 PM
